Out of the Park Abhishek Shivaram, 2020-09-29 Down on his knees Clobbered that one in typical fashion Unleashing the slog sweep masterclass this Heart in the mouth situation for a moment but the batsman there pulled out a trick that he had camouflaged all this while This is gonna get done easily from this point onwards we reckon Three in three In comes the bowler Play and a miss Just did enough to literally kiss the edge Three in two now Running in hard Yet another jaffa The tide clearly in favour of the fielding side now What a great leveller cricket is The batsmen had it under control a couple of deliveries ago and now for the last one Got him The wickets are cartwheeling That's that The atmosphere is electric Crowd ecstatic Hearts pumping and the one who held his nerve under the pressure cooker scenario came out victorious Life's not too different It's a lot like sports You've got it under control on most occasions But you never know when the tide's

pulling back Out of the Park is a book that demonstrates the mindset of a sports person and encourages you to think like one through anecdotes and life lessons learned from popular cricketers administrators coaches and support staff alike from the world of cricket It shows you how to be prepared to be on top of your game every single time Because the ones around are playing to win as well It highlights the importance of coming out of one's comfort zone and treating winning and losing in the same breath For staying calm under adversity helps tremendously whether in sports or in life To the Point Herschelle Gibbs, 2010-11-05 There's something about Herschelle Gibbs a certain quality that has endeared him to cricket fans in South Africa and around the world Despite the frustrating on field inconsistencies of this towering talent and the messy and very public personal troubles that have tracked him through the years Herschelle remains one of South African cricket's best loved sons In To the Point Herschelle talks very frankly about the ups and downs of his personal and professional life He covers the big cricketing moments from that dropped catch at the 1999 World Cup to the famous 438 game against Australia and the six sixes at the 2007 World Cup as well as controversies off the field the marijuana smoking incident in the Caribbean his problems with alcohol and his stint in rehab his divorce the multitude of women and the strip club video He also deals honestly with the match fixing controversies and their repercussions Herschelle gives his opinions on his teammates and the best players he has encountered over the years and describes what it's been like to be part of the Proteas set up for the past fourteen years through the controversies of its various captains and coaches To the Point is of course a spicy story of excess women alcohol money and plenty of runs but underlying it all is a warm and generous man who wears his heart on his sleeve
