*The Last Christian Generation* Josh McDowell, David H. Bellis, 2006 The research on the current generation of young people reveals an alarming fact they have redefined what it means to be Christian The majority of our church ed young people do not believe Christ is the Son of God do not believe the Holy Spirit is a real entity and think doing good earns them a place in heaven And just as disturbing is the fact that their attitudes and behavior are virtually no different than those of non Christians In this defining message of his 40 years of ministry Josh McDowell strikes at the heart of the problem and offers a clear solution We must bring this new generation face to face with who Christ really is Josh explains They know the facts but they don t know Him They are believing distorted views of Christianity This means we must first model Christlikeness to them and then continually lead them through a basic spiritual formation process that sets them on a solid foundation for building a life that is authentically Christian Reintroduce the real and relevant Christ to your young people lead them through the process of Christlikeness and you may very well ignite a spiritual revolution for an entire generation
