Hellerman, 2017-11-09 Many of us long to experience the fullness of God and his purpose for our lives Not a whole lot of us ever do The reason is that we have departed in some significant ways from the biblical view of Christian life and growth The New Testament highlights the communal missional and eschatological aspects of our walk with God We grow in our faith as individual Christians to the degree that we are a deeply rooted relationally in a local church community that is b passionately playing its part in God s grand story of Creation Fall Redemption and Restoration and c intently anticipating the summing of all things in Christ when Jesus returns In recent decades American evangelicals have traded away community outreach and the Bible s teaching about eternity future for the pursuit of individual religious experience in the here and now Why We Need the Church to Become More Like Jesus traces this departure from biblical Christianity through recent decades of popular evangelical trends and reminds us that faith centered on community mission and the story line of Scripture remains the key to the spiritual formation of the individual Christian *Answers to Teenagers' 50 Toughest Questions* Phil Bell, 2012-03-01 If you ve ever felt unprepared when students want to talk about tough topics then this is the book for you *Answers to Teenagers*
