of God who wants to know and experience God in all His fullness This book unlocks the door and leads readers into the spiritual dimension a wonderful place of love peace and joy where they ll be inspired to fully live Increasing the Practice of Spiritual Growth Utilizing Dr. Cho's Concept of the "Fourth Dimension" Gu Hong Lee,2010 This project was about increasing the practice of spiritual growth by utilizing Dr Yonggi Cho s concept of the Fourth Dimension The researcher presented the training as a device to help resolve problems in some of the members of Yoido Full Gospel Church He addressed issues such as negative thinking and speaking inactive faith and life without goals His training on thoughts faith dreams and words which are the elements that move the fourth dimensional world was designed to become the seed for the revival of their personal faith The training materials were compiled by the researcher and included five audio and video tapes containing the works and lectures of Yonggi Cho on the spirituality of the Fourth Dimension The participants were divided into a treatment and a control group The researcher conducted a survey with the same questionnaire for both groups and analyzed and evaluated the results *Christianity in Crisis* Hank Hanegraaff,2012-06-18 Nearly two decades ago Hank Hanegraaff s award winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmask We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen *Christianity in Crisis* 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas Fourth Dimensional Living in a Three Dimensional World David Yong-gi Cho,2015-08-24 Jesus said Knock and the door will be opened to you Discover the keys that open the door to the Fourth Dimension for every child of God who wants to know and experience God in all His fullness This book unlocks the door and leads you into the spiritual dimension a wonderful place of love peace and joy where you ll be inspired to fully live **Unleashing the Power of Faith** David Yonggi Cho,2006 Presents a lesson that shows the power in possibilities **To the Ends of the Earth** Allan Heaton Anderson,2013-01-04 In *To the Ends of the Earth* Allan Anderson
