Dracula Bram Stoker, 2018-01-02 Packaged in handsome affordable trade editions Clydesdale Classics is a new series of essential works. From the musings of literary geniuses such as Nathaniel Hawthorne in *The Scarlet Letter* to the striking personal narrative of Harriet Jacobs in *Incidents in the Life of a Slave Girl* this new series is a comprehensive collection of our literary history through the words of the exceptional few. An enduring work of horror Stoker's *Dracula* still provides chills more than one hundred years after its original publication and seemingly endless film adaptations. Written in series of letters and journal entries *Dracula* tells the story of the legendary vampire from the perspective of a young British solicitor Jonathan Harker as well as others. Harker arrives at Dracula's castle believing he is there for a business transaction only to realize his host intends to keep him prisoner. Harker barely escapes the Count's castle but must get back to England. Little does Harker know Dracula has decided to leave Transylvania for England where he intends to replenish his previous strength and spread his vampirism among those that Harker holds most dear. Stoker's *Dracula* serves as the framework for many subsequent vampire novels. It is here that we discover the vampire's aversion to garlic, sleeping in the ground and the enchanting influence over others that have become a staple in the genre. Experience the unabridged classic in this edition and be mesmerized by the hold that it will have over you.

Rock 'n' Road Tim Toulas, 2003 The rock climber's equivalent of a Rand McNally road atlas this completely revised and updated new edition of *Rock n Road* compiles information on over 3 000 climbing areas in all 50 states, Canada and Mexico. The book offers location maps, detailed directions, star ratings, the kind of climbing and rock encountered, access issues, classic routes and much more. The fundamental reference source for North American climbers.

The Streets of New York Richard B. Chodosh, Barry Alan Graef, 1965 This is a rollicking version of the Boucicault classic about an evil banker and a pure and deprived heroine embellished with exciting musical accents. To cover his embezzlements the banker steals the ship captain's fortune leaving the captain's widow and daughter to brave the cruel world as best they can. The equally destitute hero is forced to become engaged to the banker's villainous daughter. Then comes the foreclosure by the heartless banker, the splendidly nostalgic Christmas scene where the poor huddle in the snow and the heroine laments the loss of her job and finally the big fire, the reversal of fortunes and the triumph of virtue. A deliciously idealized era with excellent lyrics and musical originality.
