Hopt,Felix

Steffek,2018-12-13 Mediation provides an attractive alternative to resolving disputes through court proceedings Mediation promises just results in the interest of all parties concerned a reduction of the court caseload and cost savings for the parties involved as well as for the treasury The European Directive on Mediation has given mediation in Europe new momentum by establishing a common framework for cross border mediation Beyond Europe many states have tried in recent years to answer the question whether and if so how mediation should be regulated at a national and international level The aim of this book is to promote the understanding and discussion of regulatory issues by presenting comparative research on mediation It describes and analyses the law and practice of mediation in twenty two countries Europe is represented by chapters on mediation in Austria Bulgaria England France Germany Greece Hungary Ireland Italy the Netherlands Norway Poland Portugal and Spain The world beyond Europe is analysed in chapters on mediation in Australia Canada China Japan New Zealand Russia Switzerland and the USA Against this background further chapters on fundamental issues identify possible regulatory models and discuss central principles of mediation law and practice In particular the work considers harmonisation and diversity in the law of mediation as well as the economic and constitutional problems associated with privatising civil justice To the extent available empirical research is used as a point of reference in the critical analysis

*Poor's Daily Reports* ,1940      **Unwinding Madness** Gerald S. Gurney,Donna A. Lopiano,Andrew Zimbalist,2016-12-13 A critical look at the tension between the larger role of the university and the commercialization of college sports Unwinding Madness is the most comprehensive examination to date of how the NCAA has lost its way in the governance of intercollegiate athletics and why it is incapable of achieving reform and must be replaced The NCAA has placed commercial success above its responsibilities to protect the academic primacy health and well being of college athletes and fallen into an educational ethical and economic crisis      Conflicting Commitments Shannon Gleeson,2012-10-15 In Conflicting Commitments Shannon Gleeson goes beyond the debate over federal immigration policy to examine the complicated terrain of immigrant worker rights Federal law requires that basic labor standards apply to all workers yet this principle clashes with increasingly restrictive immigration laws and creates a confusing bureaucratic terrain for local policymakers and labor advocates Gleeson examines this issue in two of the largest immigrant gateways in the country San Jose California and

Houston Texas Conflicting Commitments reveals two cities with very different approaches to addressing the exploitation of immigrant workers both involving the strategic coordination of a range of bureaucratic brokers but in strikingly different ways Drawing on the real life accounts of ordinary workers federal state and local government officials community organizers and consular staff Gleeson argues that local political contexts matter for protecting undocumented workers in particular Providing a rich description of the bureaucratic minefields of labor law and the explosive politics of immigrant rights Gleeson shows how the lessons learned from San Jose and Houston can inform models for upholding labor and human rights in the United States
