[Dream World Cruise Destinations](#) Princess Cruises, Inc,1990* *Dream Cruising Destinations 2nd edition* Vanessa Bird,2025-03-13 A collection of the best places to sail around the world for planners and dreamers If you could cruise anywhere in the world where would you choose Would you head for the cooler climes of Northern Europe or the tropical heat of the southern hemisphere With so many wonderful destinations around the world it is hard to know where to start but with this book a sailor's dream can become a reality Highly experienced sailor Vanessa Bird handpicks 25 of the most varied and interesting places to explore From weekend cruises around the British Isles and crossing the Atlantic Ocean to island hopping in the Caribbean or sailing on one of Canada's Great Lakes this guide gives a useful snapshot of some of the finest cruising grounds from around the world For each destination there is practical information on the route and when to go what to see the level of skill or qualifications required and important things to consider such as what type of boat is needed and hazards along the route Written with sailors of all abilities and preferences in mind the routes featured cover a wide range of cruising grounds Illustrated with stunning photography this guide provides an inspirational glimpse into the places to visit and gives you the information needed to kickstart your adventure *Giants of the Seas* Aaron Saunders,2013-10-01 The cruise ship market is a 30 billion dollar industry and in 2013 it is estimated that it will carry more than 20 million passengers nor is there any sign of a slow down in the seven percent annual growth What keeps the passengers coming in such huge numbers isn't the food the ports or the entertainment They come for the magnificent floating palaces themselves the giants of the sea In this new book the author showcases the most influential cruise ships of the last three decades beginning with Royal Caribbean's ground breaking Sovereign of the Seas When she was launched in 1988 she was the largest passenger ship constructed since Cunard's Queen Mary entered service some 48 years earlier and her entry into service sparked a fiercely competitive building boom that continues to this day The reader is taken aboard thirty of the most spectacular ships to reveal how their innovative designs changed the landscape of modern cruising By

employing original and archival photographs deck plans cruise programmes as well as the author's intimate knowledge of many of these vessels a unique picture is built up of these great ships and it becomes clear that the true Golden Age of Cruising is not in some distant past but exists right now and that its origins can be traced back to one ship launched in 1988 A truly sumptuous and fascinating book for all those drawn to the world of the modern cruise ship As seen in Ships Monthly Magazine
