## **English Medieval Knight 1300 1400 Warrior:**

**English Medieval Knight 1300-1400** Christopher Gravett, 2002-10-18 The 14th century knight lived in a century of change in terms of both recruitment methods and the appearance of fighting men This book describes all aspects of the knight's life including his training in the castle yard and the hard knocks of tournaments The knight's daily routine on campaign is explored along with the role of mercenary knights the motivation of knights in the field and the influence of chivalry The book is beautifully illustrated with eight colour plates by Graham Turner covering all aspects of knighthood in this period and also includes photographs of rare surviving contemporary pieces of armour **The Medieval Knight**

Christopher Gravett, 2020-11-26 This attractively packaged gift book offers a comprehensive look at the development of the fearsome medieval English knight from the 12th century to the 15th century The knight in shining armour has become a staple figure in popular culture and images of bloody battlefields bustling feasting halls and courtly tournaments have been creatively interpreted many times in film and fiction But what was the medieval knight truly like In this fascinating title former Senior Curator at the Royal Armouries Christopher Gravett describes how knights evolved over three centuries of English and European history the wars they fought their lives both in peacetime and on campaign the weapons they fought with the armour and clothing they wore and their fascinating code and mythology of chivalry The text is richly illustrated with images ranging from manuscript illustrations to modern artwork reconstructions and many photographs of historic artefacts and sites **Knight**

Christopher Gravett, 2008-03-18 The traditional knight in shining armor has become a staple figure in popular culture and the images of bloody battlefields bustling feasting halls and courtly tournaments have been creatively interpreted many times in film and fiction But what was the knight truly like The world of the English Medieval Knight was complex and ever changing From the household of King John to the defenders of Elizabeth I there was great change in the social standing of knights their equipment and appearance and their involvement in politics and warfare An expert on Medieval military history Christopher Gravett describes how the knight evolved over four centuries of English and European history the wars they fought their lives in peacetime and on campaign the weapons they fought with the armor and clothing they wore and the fascinating code and mythology of chivalry The text is richly illustrated with images ranging from manuscript illustrations to modern artwork reconstructions and many photographs of historic artifacts and sites **The**

**Bayeux Tapestry** John F. Szabo, Nicholas E. Kuefler, 2015-06-18 Commanding its own museum and over 200 years of examination observation and scholarship the monumental embroidery known popularly as the Bayeux Tapestry and documenting William the Conqueror's invasion of England in October 1066 is perhaps the most important surviving artifact of the Middle Ages This magnificent textile both celebrated and panned is both enigmatic artwork and confounding historical record With over 1780 entries Szabo and Kuefler offer the largest and most heavily annotated bibliography on the Tapestry ever written Notably the Bayeux Tapestry has produced some of the most compelling questions of the medieval period Who

commissioned it and for what purpose What was the intended venue for its display Who was the designer and who executed the enormous task of its manufacture How does it inform our understanding of eleventh century life And who was the mysterious Aelfgyva depicted in the Tapestry's main register This book is an effort to capture and describe the scholarship that attempts to answer these questions But the bibliography also reflects the popularity of the Tapestry in literature covering a surprisingly broad array of subjects The inclusion of this material will assist future scholars who may study references to the work in contemporary non fiction and popular works as well as use of the Bayeux Tapestry as a primary and secondary source in the classroom The monographs articles and other works cited in this bibliography reflect dozens of research areas Major themes are the Tapestry as a source of information for eleventh century material culture its role in telling the story of the Battle of Hastings and events leading up to the invasion patronage of the Tapestry biographical detail on known historical figures in the Tapestry arms and armor medieval warfare strategy and techniques opus anglicanum the Anglo Saxon needlework tradition preservation and display of the artifact the Tapestry's place in medieval art the embroidery's depiction of medieval and Romanesque architecture and the life of the Bayeux Tapestry itself English Castles

1200-1300 Christopher Gravett, 2009-07-21 From the end of the 12th century onwards the English castle began to adopt the classical form that defines it to this day and this period saw the construction and expansion of some of England's most famous fortifications including the Tower of London These fortifications were to be thoroughly tested over the course of the 13th century as England was riven by conflict between the monarchy and powerful magnates As well as providing the focus for warfare castles increasingly became the centres of the local community providing justice and administration as well as a more permanent base for the lord his family and retainers This title details the design and development of these fortifications throughout England as well as the major English sites in Wales Book Jacket Armies of the Hundred Years' War

1337-1453 Gabriele Esposito, 2025-03-30 The Hundred Years War is one of the most famous conflicts in British history featuring such renowned battles as Crecy Poitiers and Agincourt It is a period littered with such legendary names as the Black Prince Henry V and Joan of Arc and a fascinating one for the development of warfare weapons and armour Gabriele Esposito puts the conflict in context with an overview of earlier Anglo French conflicts and the roots of the dispute between the Plantagenet and Valois dynasties He then devotes several chapters to giving a concise overview of the dramatic events of the war before moving on to describe in detail the organization tactics weapons armour and equipment of all the varied forces Those drawn in by various alliances such as Scottish Spanish and Burgundian troops are not forgotten He shows the evolution of warfare across the period from the early dominance of the longbowmen over the French knights to the increasing importance of artillery in the Valois recovery As usual for The Armies of the Past series Gabriele Esposito's informative text is lavishly illustrated with colour photographs of replica weapons armour and clothing in use Weapons and Fighting Techniques of the Medieval Warrior Martin J Dougherty, 2008-12-15 Weapons **Mercenaries: A Guide to**

**Private Armies and Private Military Companies** Alan Axelrod, 2013-12-27 Mercenaries A Guide to Private Armies and Private Military Companies provides a comprehensive survey and guide to the mercenary forces entrepreneurs and corporations that are a major component of warfare today Security military advice training logistics support policing technological expertise intelligence transportation all are outsourced to a greater or lesser degree in the U S military while countries as diverse as Saudi Arabia and Australia rely on privatization in one form or another This comprehensive one volume work covers the full range of mercenaries active on the international military scene today including a concise history of mercenaries and private armies on land sea and in the air Key Features Illuminating sidebars include biographies of major figures key statistics historical and current documents contracts and legislation on private armies and outsourced military services Each chapter includes a bibliography of books journal articles and web sites A general bibliography concludes the entire work Mercenaries is a must have reference for academic libraries public libraries and any social science governmental or non governmental reference collection

**English Medieval Knight 1400-1500** Christopher Gravett, 2001-08-25 The 15th century was a time of change for knighthood Knights no longer fought for their lords in return for land since the feudal summons had long before given way to a system of contracts Moreover many knights now preferred the role of landowner man about town or parliamentary representative However this was also the age of the knight in plate armour of the battle of Agincourt and the conquests of Henry V and of the Wars of the Roses the bloody internecine struggle that tore medieval England apart In this title Christopher Gravett describes the life of a 15th century knight his equipment and experiences from his earliest days as a squire through to his experiences on the battlefields of England and France *Norman Stone Castles (1)* Christopher Gravett, 2003-10-22 Descended from the Viking raiders who settled in Northern France under the leadership of Rollo in around 911 the Normans were amongst the most feared warriors of their time Their territorial ambitions culminated in Duke William 1 s conquest of England in 1066 but although victory at Hastings left the English crown in William s hands Norman sovereignty remained far from established on the island In order to consolidate his position the new king built a series of fortifications across the country this book covers all these developments from the early days of William I through to the fortifications of Henry II Richard I and John

**English Medieval Knight 1200-1300** Christopher Gravett, 2002-04-25 The 13th century was a time of change for knights in England They were faced with rising costs and increasing demands on their time for local government because of their very status in society until knighthood itself was sometimes avoided This period saw as well the development of the tournament from the wild team events of the early years of the century to the single jousts with blunt lance Campaign life in the 13th century also embraced several theatres of war including the baronial revolt against King John the Barons Wars of Simon de Montfort also known as the Second Barons War 1264 1267 and the Welsh and Scottish wars of Edward I This title also covers the use and development of arms armour costume and other equipment

**A Cumulative Bibliography of Medieval Military History and Technology** Kelly

DeVries,2005 This first update to the Cumulative Bibliography of Medieval Military History and Technology Brill 2002 includes additional entries for the period before 2000 and new entries for the period 2000 2002 Middle English Dictionary Hans Kurath,Sherman McAllister Kuhn,Robert E. Lewis,1952 A comprehensive analysis of lexicon and usage for the period 1100 1500 **The British National Bibliography** Arthur James Wells,2004 *A New English Dictionary on Historical Principles: part 1. H (1901)* James Augustus Henry Murray,1901 **English Medieval Knight 1400-1500** Christopher Gravett,2001 Knight: The Medieval Warrior's (Unofficial) Manual Michael Prestwich,2010-05-01 An insider s guide how to become a knight wield a sword join a Crusade and make your fortune The knight is the supreme warrior of the Middle Ages Fully armored and mounted on a magnificent charger he seems invincible Honor and glory await him as guided by the chivalric code he fights with lance and sword This carefully researched yet entertaining book provides all the essential information you need to become a successful knight in the later Middle Ages during the period of the Hundred Years War Should you go on a Crusade Which order of chivalry might you consider joining What is required when you go through the ceremony of knighthood Here are the answers to these and many more questions plus practical advice on topics such as equipment fighting methods and the conventions of warfare But the knightly life is not all battles and sieges there are also tournaments and jousts to enjoy and the world of courtly love Based on contemporary lives and descriptions this book written by a leading medieval historian paints a vivid picture of what it was like to be a medieval knight *Weapons & Warfare: Ancient and medieval weapons and warfare to c. 1500* ,2010 **The 1984 World Book Year Book** World Book, Inc,1984
