English With An Accent Language Ideology And Discrimination In The United States:

English with an Accent Rosina Lippi-Green, 1997 In *English with an Accent* Rosina Lippi Green examines American attitudes towards language exposing the way in which language is used to maintain and perpetuate social structures

English with an Accent Rosina Lippi-Green, 2012-03-15 Since its initial publication *English with an Accent* has provoked debate and controversy within classrooms through its in depth scrutiny of American attitudes towards language Rosina Lippi Green discusses the ways in which discrimination based on accent functions to support and perpetuate social structures and unequal power relations This second edition has been reorganized and revised to include new dedicated chapters on Latino English and Asian American English discussion questions further reading and suggested classroom exercises updated examples from the classroom the judicial system the media and corporate culture a discussion of the long term implications of the Ebonics debate a brand new companion website with a glossary of key terms and links to audio video and images relevant to the each chapter s content *English with an Accent* is essential reading for students with interests in attitudes and discrimination towards language

English with an Accent Rosina Lippi-Green, Rusty Barrett, Jennifer Cramer, Kevin B. McGowan, 2022-11 Since its original publication in 1997 *English with an Accent* has inspired generations of scholars to investigate linguistic discrimination social categorization social structures and power This new edition is an attempt to retain the spirit of the original while enriching and expanding it to reflect the greater understanding of linguistic discrimination that it has helped create

Review of "English with an Accent: Language, Ideology, and Discrimination in the United States" by Lippi-Green Laura Götz, 2017-06-19 Literature Review from the year 2016 in the subject American Studies Linguistics grade 1 3 University of Potsdam course English in the U S language English abstract This research paper is a review of Lippi Green s book on American Accents It simultaneously covers geographical accents as well as social and cultural accents within the United States It finishes with a theoretical position and points of critique by the author

Ebonics J. David Ramirez, 2005-01-01 This collection of papers comments and documents traces the distant and recent history of the Ebonics debate in the USA The book examines how despite increasing access to public education over the past century schools continue to impose language standards and expectations on children that methodically privileges some while disadvantaging others

Higher Education Internationalization and English Language Instruction Xiangying Huo, 2020-11-07 This book offers new understanding of the implications of pluralism and of transnational movements to higher education and the construct of a native speaker within contemporary globalization processes Theoretically it calls for a revisioned English as an International Language EIL pedagogy and a wider acceptance of EIL and of World Englishes It challenges the postsecondary education sector to change the discourse around language proficiency to one that engages the pluralism of English As for the applied significance the book contributes to the work on neo racism which means racism goes beyond color to stereotypic foreign cultures nationalities and exotic accents based on cultural distinctions instead of merely skin differences The book

contributes to higher education policy and practice pushing a revisioning of ESL in conceptual and pedagogical ways such as designing more culturally oriented curriculum implementing culturally responsive pedagogy and valuing the teaching proficiency more than the language proficiency

American English Walt Wolfram, Natalie Schilling, 2015-10-19 The new edition of this classic text chronicles recent breakthrough developments in the field of American English covering regional ethnic and gender based differences Now accompanied by a companion website with an extensive array of sound files video clips and other online materials to enhance and illustrate discussions in the text Features brand new chapters that cover the very latest topics such as Levels of Dialect Regional Varieties of English Gender and Language Variation The Application of Dialect Study and Dialect Awareness Extending Application as well as new exercises with online answers Updated to contain dialect samples from a wider array of US regions Written for students taking courses in dialect studies variationist sociolinguistics and linguistic anthropology and requires no pre knowledge of linguistics Includes a glossary and extensive appendix of the pronunciation grammatical and lexical features of American English dialects

Middle-Class African American English Tracey L. Weldon, 2021-02-04 African American English AAE is a major area of research in linguistics but until now work has primarily been focused on AAE as it is spoken amongst the working classes From its historical development to its contemporary context this is the first full length overview of the use and evaluation of AAE by middle class speakers giving voice to this relatively neglected segment of the African American speech community Weldon offers a unique first person account of middle class AAE and highlights distinguishing elements such as codeswitching camouflaged feature usage Standard AAE and talking sounding Black vs Proper Readers can hear authentic excerpts and audio prompts of the language described through a wide range of audio files which can be accessed directly from the book's page using QR technology or through the book's online Resource Tab Engaging and accessible it will help students and researchers gain a broader understanding of both the African American speech community and the AAE continuum

Diversity in the Workforce Marilyn Y. Byrd, Chaunda L. Scott, 2024-01-23 This comprehensive integrated teaching resource provides students with the tools and methodologies they need to effectively negotiate the multiple dynamics that emerge from difference and to appropriately respond to issues of marginalization and social injustice Written from an American perspective the book not only covers the traditional topics of race gender ethnicity and social class but explores emerging trends around isms racism sexism Thoroughly revised and updated this third edition includes new case studies and expanded coverage of topics such as social justice microaggressions and gender identities and expressions End of chapter questions encourage students to engage in difficult conversations and case studies stimulate students awareness of real world issues that emerge from diversity helping students to develop the broad range of skills they need to mediate or resolve diversity issues as future professionals This edition includes updated Instructor Resources such as PowerPoint slides multiple choice quizzes and essay questions as well as additional links which can be found online

Language Policies and (Dis)Citizenship

Vaidehi Ramanathan, 2013-08-07 This volume explores the concept of citizenship and argues that it should be understood both as a process of becoming and the ability to participate fully rather than as a status that can be inherited acquired or achieved From a courtroom in Bulawayo to a nursery in Birmingham the authors use local contexts to foreground how the vulnerable particularly those from minority language backgrounds continue to be excluded whilst offering a powerful demonstration of the potential for change offered by individual agency resistance and struggle In addressing questions such as under what local conditions does citizenship happen what role do language policies and pedagogic practices play and what kinds of margins and borders keep humans from fully participating The chapters in this volume shift the debate away from visas and passports to more uncertain and contested spaces of interpretation **Language, Education, and Ideology**

Timothy Reagan, 2002-11-30 Language educators in general and foreign language educators in particular need to be aware of and sensitive to issues related to the interface and nexus of language education and ideology This work places foreign language education in its social context as well as applying critical pedagogy to the foreign language classroom to help educators become more aware of the social political historical and economic contexts in which they work and which effect the classroom setting Research and scholarship in critical pedagogy is impressive extensive and powerful and has had significant impact on nearly every aspect of contemporary educational scholarship One area in which critical theory and critical pedagogy have been slow to have a noticeable effect however is that of language education especially foreign language education Further while a number of important works address issues of critical literacy there are no general works presenting critical perspectives on language and language issues targeting classroom teachers and other educators This work offers a broad and comprehensive overview of language and linguistic issues that emerge in the classroom context from a critical philosophical perspective The central focus is on the nexus of issues of language education and ideology as the title suggests and specific topics covered will include language and power linguistic purism the marginalization of second language education in the United States the phenomenon of ideological monolingualism in the United States the hierarchy of the less commonly taught languages both in terms of its etiology and the ideological and hegemonic functions this hierarchy serves nonmainstream language varieties in school settings issues of linguistic legitimacy in the classroom context the politics and ideological context of bilingual education in the United States language policy both as a tool for oppression and as a means of empowerment and finally the need for critical language awareness on the part of all educators *Racial and Ethnic Relations in America: Politics and racial* Carl Leon Bankston, 2000 Volume 2 □□□□, 2004 **Language Problems & Language Planning**, 2008 □□□□, 2007 **Writing Centers and the New Racism** Laura Greenfield, Karen Rowan, 2011-10-16 Motivated by a scholarly interest in race and whiteness studies and by an ethical commitment to anti racism work contributors address a series of questions related to institutionalized racism in American higher education especially in college and university writing centers Provided by publisher *Diverse by Design* Christopher Schroeder, 2011

Cover design by Barbara Yale Read **"Estamos Sumidos"** Magdalena L. Barrera, 2005 **You, the People** Vanessa B. Beasley, 2004 Annotation As we ask anew in these troubled times what it means to be an American this work provides perspectives by casting its eye over the answers given by past US presidents in their addresses to the public Who is an American and who is not It traces rhetorical constructions of national identity *Linguistics and Language Behavior Abstracts*, 2005
