REMEMBERING YOURSELF K. Akdeniz, The moment you take this book into your hands you are in fact stepping onto the threshold of your own journey Perhaps within you there has long been a question Who am I Or perhaps it was a sense of emptiness a subtle lack a quiet weariness that brought you here The Enneagram does not give a direct answer to this question Rather it offers you mirrors What you see in those mirrors may at times sting at times warm you Yet each time it will draw you a little closer to your Essence In the chapters ahead we will move through concepts stages and stories Yet remember this book speaks less to your mind than to your heart You will not hear its message so much in the words themselves as in the silence they stir within you So let us begin not by knowing but by remembering For this journey will not teach you something new it will simply remind you of what your soul has always known yet quietly forgotten
