Emotional Intelligence Marc Leigh, 2019-06-11 Using a simple to understand language this book gives the reader unique features that make it more than just a book This book can be used as a manual for emotional intelligence It is written in simple language making it appropriate even for non native speakers of the English language There are exercises at the end of the first ten chapters to enable the reader to test and apply the knowledge gained The emotional intelligence activities are varied to give you a choice and can be done at individual and group levels giving you more control of the exercises Additionally the systematic approach to understanding and applying emotional intelligence enables the reader to learn in phases Instead of overwhelming the reader with long chapters that pack multiple concepts of emotional intelligence the reader is given content in a reasonable and pragmatic manner Have a look at the core chapters 1 Emotional intelligence the theory 2 Emotional intelligence and your character 3 Can emotional intelligence be developed 4 Recognize your emotions and arm yourself with emotional quotient quotes 5 Emotional intelligence in practice 6 Emotional intelligence framework 7 Social skills 8 Models of emotional intelligence 9 Emotional intelligence activities a guide for you and your coach 10 Emotional intelligence test 11 Masters in conflict Equally important this book avoids burdening the reader with histories of emotional intelligence and its developers The knowledge and content given are presented with a view of introducing the reader to the subject and finally enabling the reader to acquire and apply that knowledge The author has deliberately infused practicality of emotional intelligence concepts consistently throughout the book to enable the reader to translate theory to practical application The book is written from the perspective that the reader wants to know about the concepts of emotional intelligence and apply them and this is what is professionally presented throughout the book Another distinct feature of this book is that it captures views that would be split into several books The author wrote from a view of providing content knowledge and manual to understanding and applying emotional intelligence The irritating aspect of encountering multiple acronyms and abbreviations when reading emotional intelligence works is eliminated in this book giving you a convenient and effortless way to acquire emotional intelligence knowledge and concepts When you through reading this book you will realize it also doubles up a manual enabling you to systematically improve your weak areas In this manner this book can be used as an instructor enabling you to teach yourself emotional intelligence concepts Reading the book will even qualify these views further
