

GLOBAL TRENDS

The background is a vibrant blue digital landscape. On the left, a semi-transparent globe shows a grid of latitude and longitude lines. To the right of the globe, a red line graph trends upwards, with several vertical bars of varying heights representing data points. The foreground is a perspective view of a grid with glowing yellow and white nodes at the intersections. A bright red lens flare or light burst is positioned in the center, where the globe and the graph intersect.
