*The Oxford Handbook of Human Motivation* Richard M. Ryan, 2012-02-16 The Oxford Handbook of Human Motivation collects together the field s top theorists and researchers to provide overviews of today s most noteworthy theories topical chapters on phenomena from ego depletion to flow recent work on the biological bases of motivation and applied in chapters on therapy work sport education and relationships

**Handbook of Evidence-Based Practices for Emotional and Behavioral Disorders** Hill M. Walker, Frank M. Gresham, 2015-12-15 This authoritative volume provides state of the art practices for supporting the approximately 20% of today s K 12 students who have emotional and behavioral disorders EBD that hinder school success Leading experts present evidence based approaches to screening progress monitoring intervention and instruction within a multi tiered framework Coverage encompasses everything from early intervention and prevention to applications for high risk adolescents Exemplary programs are described for broad populations of EBD students as well as those with particular disorders including autism spectrum disorders and externalizing behavior problems The book combines theory and research with practical information on how to select interventions and implement them with integrity

**Character Is Capital** Judy Hilkey, 2000-11-09 In late nineteenth century America a new type of book became commonplace in millions of homes across the country Volumes sporting such titles as *The Way to Win* and *Onward to Fame and Fortune* promised to show young men how to succeed in life But despite their upbeat titles success manuals offered neither practical business advice nor a simple celebration of the American Dream Instead as Judy Hilkey reveals they presented a dire picture of an uncertain new age portraying life in the newly industrialized nation as a brutal struggle for survival but arguing that adherence to old fashioned virtues enabled any determined man to succeed Hilkey offers a cultural history of success manuals and the industry that produced and marketed them She examines the books appearance iconography and intended audience primarily native born rural and small town men of modest means and education and explores the genre s use of gendered language to equate manhood with success femininity with failure Ultimately argues Hilkey by articulating a worldview that helped legitimate the new social order to those most threatened by it success manuals urged readers to accommodate themselves to the demands of life in the industrial age

Tupperware Alison J. Clarke, 1999 Traces the development of the plasticwares in the 1940s and 50s especially the party plan marketing strategy developed by Brownie Wise
