Mindfulness in Eight Weeks: The revolutionary 8 week plan to clear your mind and calm your life Michael Chaskalson, 2014-09-11 Find your way into Mindfulness with this engaging and practical step by step guide that you can follow in your own time and in the comfort of your own home

Mindfulness Meditation Mindfulness Meditation Institute, 2019-11-11 If you want to be more present and live Life fully then keep reading Life goes fast and we often find ourselves conducting a distracted existence Days go by quick and it is difficult to create long lasting memories when distractions are everywhere Especially in this day and age where there are plenty of possibilities for our mind to go down rabbit holes way deeper than the one of Alice it seems more and more difficult for people to stop and enjoy the present moment We find ourselves living in the past or in the future but rarely in what is happening right this now Probably you have already been distracted at least a couple of times since you started reading this description which tells a lot about your state of awareness But what if there was a way to train the mind to become present What if self awareness could be developed over time Well actually there is and it is called mindfulness Mindfulness is a set of techniques that help people to focus more on what there is right here right now allowing them to conduct a happier and more fulfilling life Inside this book you will discover some of these techniques along other valuable aspects of mindfulness including The one practice that can help you ground yourself in just 40 minutes What mindfulness really is hint it is not what you might have read on the internet The single exercise you can do at any time to feel more present and self aware even if you have never meditated before The secret technique used by Eastern monks to increase self awareness and self esteem and how you can apply it in your daily life Do not worry you will not be told to close your eyes and let the magic happen as we know you have heard that a million times by now Actually some of the techniques presented in this book can be done while you are walking or standing in line

The beauty of mindfulness is that it can be done by everybody even without prior experience You just need to follow the step by step instructions presented in this book and you will be on your way to a much better life Pressed for time Do not worry 40 45 minutes twice a week of mindfulness can yield incredible benefits you do not need to meditate for hours and hours If you want to learn more and start being more mindful today then get this book today Scroll up and click the Buy Now button
