Detecting the South in Fiction, Film, and Television Deborah E. Barker, Theresa Starkey, 2019-10-23 Detecting the South in Fiction Film the role of land as a source of income an ecologically threatened space or a place of seclusion and the continued presence of the southern gothic in recurring elements such as dilapidated plantation houses swamps family secrets and the occult Twenty two critical essays probe how southern detective narratives intersect with popular genre forms such as neo noir hard boiled fiction the dark thriller suburban noir amateur sleuths journalist detectives and television police procedurals Alongside essays by scholars Detecting the South in Fiction Film and Television presents pieces by authors of detective and crime fiction including Megan Abbott and Ace Atkins who address the extent to which the South and its artistic traditions influenced their own works By considering the diversity of authors and characters associated with the genre this accessible collection provides an overdue examination of the historical political and aesthetic contexts out of which the southern detective narrative emerged and continues to evolve
