'A glad service', Bible lessons Elinor Lewis, 1885 **One Nation "above" God** Shane Idleman, 2018-05-28 America is divided on many fronts Where are the answers How will the future and security of America unfold in the days to come My previous books address personal issues This book however recognizes the biblical foundation that once guided America These principles are the foundation on which America's success rests My objective is not to be judgmental or negative but to expose the danger of striving to be One Nation Above God My intention is not to endorse a political party policy or candidate or to elevate America's Founders but to point to the power of Scripture to shape an individual as well as a nation Who we are in our personal lives will reflect who we are as a nation In July 1776 during what many have called one of the greatest historical events of all time the Continental Congress of the United States of America officially declared independence and its reputation as a great country was born Despite the beliefs of some early Americans were not all renegades and rebels For decades the Colonists tried to cooperate with the King but as time passed it became evident that change was necessary Great Britain needed to relinquish her oppressive control Although controversy surrounds the biblical justification for the American Revolution the Founders did not initiate the conflict and thus believed that they had biblical justification for their actions The Founders viewed the Revolution as a defensive conflict rather than an offensive war After peaceful and legal redress had been exhausted they moved toward independence from the King and dependence on God Although the history of America is marked with disappointments tragedies mistakes and failures my intent is not to write about the history of America but to unapologetically proclaim the truth behind her success As the moral and cultural war rages between our shores the need to be awakened from our spiritual slumber has never been greater Where the battle rages there the loyalty of the soldier is tested Martin Luther This battle is for the very soul of our nation It s our choice stand or fall Shane Idleman A Nation **Seduced** Deidre Joy, 2018-03-06 Seduction is the silent subtle force that lures the unwise into the quicksand of their own despair What or who seduces you Are you bold enough to confront these demons of destruction All too often our internal compasses are leading us in the opposite direction of our dreams We simply need to STOP what we re doing and behave differently A Nation Seduced can help you confront the deceit in the world and assess the state of your soul your behavior and the human condition America is changing rapidly and our Forefathers legacy of a nation under God is in danger History has proven we are lost without God This is YOUR wake up call The Day of Bereavement; Its Lessons and Its Consolations George W. Mylne, 1871 America's Only Hope Tony Evans, 1995-07 America's Only Hope is a challenge to face the reality that the nation is dying spiritually It is an admonition to those who are not applying what they believe It is a guide to action
