Economic Methodology A Historical Introduction Economics As Social Theory

Geoffrey Martin Hodgson

Economic Methodology A Historical Introduction Economics As Social Theory:

Economic Methodology Harro Maas, 2014-03-05 Ever since the inception of economics over two hundred years ago the tools at the discipline's disposal have grown more and more sophisticated This book provides a historical introduction to the methodology of economics through the eyes of economists The story begins with John Stuart Mill's seminal essay from 1836 on the definition and method of political economy which is then followed by an examination of how the actual practices of economists changed over time to such an extent that they not only altered their methods of enquiry but also their self-perception as economists Beginning as intellectuals and journalists operating to a large extent in the public sphere they then transformed into experts who developed their tools of research increasingly behind the scenes No longer did they try to influence policy agendas through public discourse rather they targeted policymakers directly and with instruments that showed them as independent and objective policy advisors the tools of the trade changing all the while In order to shed light on this evolution of economic methodology this book takes carefully selected snapshots from the discipline's history It tracks the process of development through the nineteenth and twentieth centuries analysing the growth of empirical and mathematical modelling It also looks at the emergence of the experiment in economics in addition to the similarities and differences between modelling and experimentation This book will be relevant reading for students and academics in the fields of economic methodology history of economics and history and philosophy of the social sciences *Journal of Economic Literature*, 2014

Talcott Parsons on Economy and Society (RLE Social Theory) Bryan S. Turner, Robert J. Holton, 2014-08-27 In this remarkable collection of essays Holton and Turner demonstrate that Parsonian sociology addresses the most central problems of our time issues of sickness and health power and inequality the nature of capitalism and its possible alternatives They develop a mature and original perspective on Parsons as the only classical theorist who avoided crippling nostalgia Holton and Turner not only talk about Parsonian sociology in a profound and insightful way they do it and do it well As sociology moves away from the rigid dichotomies of earlier debate this book will help point the way Jeffrey Alexander Professor and Director of Graduate Studies in Sociology UCLA *An Historical Introduction to Modern Psychology* Gardner Murphy, 1929

An Introduction to Social Research Howard Washington Odum, Katharine C. Jocher, 1929

Equilibrium versus Understanding Mark Addleson, 1995-09-28 Equilibrium versus Understanding argues that neo-classical theory is incapable of explaining or understanding human conduct The author asserts that a different sort of economic theory is required and proposes a hermeneutic one The book presents a comprehensive description and analysis of the methodologies involved ultimately rejecting the positivist approach

Economics in the Shadows of Darwin and Marx Geoffrey Martin Hodgson, 2006 Darwin and Marx stand out as the supreme theorists of structural change in complex living systems This collection of essays establishes the importance of Darwinism for economics and other social sciences and compares the Darwinian legacy with that of Marx It adopts a Darwinian evolutionary approach to the analysis of institutions and routines

The State of the Political Duncan Kelly, 2003-10-16 The State of the Political challenges traditional interpretations of the political thought of Max Weber Carl Schmitt and Franz Neumann Focusing on their adaptation of a German tradition of state legal theory the book offers a scholarly contextualized account of the interrelationship between their political thought and practical political criticism Dr Kelly criticizes the typical separation of these writers and offers a substantial reinterpretation of modern German political thought in a period of profound transition in particular the relationship between political theory and conceptual change Alongside its focus on German political and juridical thought the book contributes significantly to the history of European ideas discussing parliamentarism and democracy academic freedom and cultural criticism political economy patriotism sovereignty and rationality and the inter relationships between law the constitution and political representation

Handbook of Classical Sociological Theory Seth Abrutyn, Omar Lizardo, 2021-11-01 This is the first handbook focussing on classical social theory It offers extensive discussions of debates arguments and discussions in classical theory and how they have informed contemporary sociological theory The book pushes against the conventional classical theory pedagogy which often focused on single theorists and their contributions and looks at isolating themes capturing the essence of the interest of classical theorists that seem to have relevance to modern research questions and theoretical traditions This book presents new approaches to thinking about theory in relationship to sociological methods

From Political Economy to Economics Dimitris Milonakis, Ben Fine, 2009 Shows how economics was once rich diverse multidimensional and pluralistic Details how political economy became economics through the desocialisation and dehistoricisation of the dismal science

The Social Studies ,1921 Sociological Abstracts ,2001 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers Annual Register University of Chicago, 1905 **Dictionary of Political Economy** Robert Harry Inglis Palgrave, 1896 American Book Publishing Record ,2005 *Paperbound Books in Print* ,1971-07 Standard Catalog: Social Sciences Section H.W.
