## **Fieldwork Participation And Practice Ethics And Dilemmas In Qualitative Research:**

Fieldwork, Participation and Practice Marlene de Laine, 2000-10-06 I would highly recommend *Fieldwork Participation and Practice Ethics and Dilemmas in Qualitative Research* as a text for the wide range of fields that currently engage in fieldwork. She does an excellent job of moving beyond basic ethical principles and informs the reader of the complexity of contemporary fieldwork. For Qualitative Social Research, follow the link below to read the complete review. This timely and topical look at the role of ethics in fieldwork takes into account some of the major issues confronting qualitative researchers. The main purposes of this book are twofold: to promote an understanding of the harmful possibilities of fieldwork and to provide ways of dealing with ethical problems and dilemmas. To these ends, examples of actual fieldwork are provided that address ethical problems and dilemmas and posit ways of dealing with them. *Your Dissertation in Education* Nicholas Walliman, Scott Buckler, 2008-03-13 *Your Dissertation in Education* provides a systematic practical approach to dissertation and project writing for students in education. This is a revised edition of Nicholas Walliman's best-selling *Your Undergraduate Dissertation*, specifically developed for students from a range of educational disciplines including teacher training, early childhood and education studies. This book is unique in being the first devoted to providing a complete overview of the dissertation process for education students. Throughout the book, use of practical examples, summary sections and additional references provide the reader with a comprehensive yet easy-to-read guide to ensure successful completion. Your Undergraduate Dissertation in Health and Social Care Nicholas Walliman, Jane Appleton, 2009-07-23 *Your Undergraduate Dissertation in Health and Social Care* provides a practical step-by-step guide to both the theoretical and practical aspects of the process of doing an undergraduate dissertation, equipping the reader with all the skills necessary to plan, conduct and write up a research project successfully. This is a revised edition of Nicholas Walliman's best-selling *Your Undergraduate Dissertation*, which has been specially tailored to the needs of those studying health, social care and related subjects. All the central topics are covered with comprehensive information and guidance on crucial issues such as ethics, research governance and appraising the quality of the evidence. Relevant real-life examples are also included, drawn from a wide range of settings. This guide offers a genuinely accessible and supportive source of advice that will be welcomed by undergraduates in working towards their final year dissertation in health and social care. *SAGE Study Skills* are essential study guides for students of all levels. From how to write great essays and succeeding at university to writing your undergraduate dissertation and doing postgraduate research, *SAGE Study Skills* help you get the best from your time at university.
