

A woman with her hair in a ponytail, wearing a plaid shirt over a yellow top and blue jeans, is smiling as she works on a wooden box in a workshop. She is wearing white gloves and using a tool. The workshop is filled with various wooden planks and tools. A pair of yellow gloves is visible on a wooden block in the foreground.

Wilson,2018-02-02 Gender and Heritage brings together a group of international scholars to examine the performance place and politics of gender within heritage Through a series of case studies models and assessments the significance of understanding and working with

concepts of gender is demonstrated as a dynamic and reforming agenda Demonstrating that gender has become an increasingly important area for heritage scholarship the collection argues that it should also be recognised as a central structuring device within society and the location where a critical heritage studies can emerge Drawing on contributions from around the world this edited collection provides a range of innovative approaches to using gender as a mode of enquiry From the politics of museum displays the exploration of pedagogy the role of local initiatives and the legal frameworks that structure representation the volume s diversity and objectives represent a challenge for students academics and professionals to rethink gender Rather than featuring gender as an addition to wider discussions of heritage this volume makes gender the focus of concern as a means of building a new agenda within the field This volume which addresses how we engage with gender and heritage in both practice and theory is essential reading for scholars at all levels and should also serve as a useful guide for practitioners
