Manual Cooking Recipes:

The Cooking Manual Mark Peters, 2023-03-07 The Cooking Manual Demystifying the Cooking Process and over 80 Great Recipes has everything you need to know about cooking indoors and outdoors As an entrepreneur I have traveled and eaten dined all over the world and I have been cooking and creating my own recipes for over forty years I cover all the kitchen accessories types of knives mixers processors and many other useful gadgets and how to use them also outdoor grills smokers and pizza ovens This book also contains wine tables and information on basic herbs and spices how they are best used and the different cuts of meats from cow pig lamb and poultry including a section on cooking terms I have also included pictures I dislike cookbooks that don't show you what the food should look like In my book I have also included eighty plus of my recipes that I created for friends and family from scratch using fresh ingredients In the recipes I basically create meals with drink pairings as well So enjoy

The U.S. Army Cooks' Manual R. Sheppard, 2017-05-19 This compendium of US Army cooking manuals features recipes camp cooking tips and more from the Revolutionary War to WWI This collection of excerpts from US Army cooking manuals illustrates how America fed its troops from the late eighteenth century to the early twentieth offering a glimpse of what daily life was like for those preparing and consuming the rations With an introduction explaining the historical background this is a fascinating and fun exploration of American army cooking with a dash of inspiration for feeding your own army Beginning with a manual from 1775 you will learn how the Continental Congress kept its Patriot forces fed A manual from 1896 prepares Army cooks for any eventuality whether in the garrison in the field or on the march with instructions on everything from butchery and preserving meat to organizing food service and

cleaning utensils Along with classic American fare such as chowder hash and pancakes it also includes recipes for Crimean kebabs Turkish pilau and tamales In contrast a 1916 manual offers a detailed consideration of nutrition and what must be one of the first calorie counters Instructions are given on how to assemble a field range in a trench or on a train Among the more unusual recipes are head cheese meat stew made from scraps and pickled pigsfeet Later manuals produced during WWI include baking recipes for breads and cakes as well as how to cook dehydrated products Culinary and military historians will equally find this a valuable resource
