Jonas's community prides itself on its "precision of language." In other words, they specifically attempt to choose words that convey exactly what they mean or feel. The community discourages the use of figurative language or any other forms of creative verbal expression. **HOWEVER**, as we continue to explore Jonas's community, we learn that there are several things that aren't what they seem. In fact, the entire community is built upon a language that is NOT precise, but that deliberately clouds meaning.

Jonas's community relies heavily on the use of **euphemisms** (yoo-fo-mizzum). A euphemism is a polite way of saying something that might be sad, unpleasant, shocking, &/or offensive.

Euphemism	The community "denies" the word means	What the word actually means
stirrings	Yearning that requires pills	Romantic dreams about the opposite sex. Beginning of puberty
