## **Globalisation Development And Child Rights:**

*Globalisation, Development, and Child Rights* Kailash Satyarthi, Bupinder Zutshi, 2006 Globalization And Structural Adjustment Programmes Not Only Reinforces Greater Integration In The World Economy But Is A Veneration Of The Market As The Only Mediator Of Efficiency And Growth It Has Resulted In Renunciation Of The State Responsibility To *Global Childhoods* Stuart Aitken, 2013-09-13 This astute book initiates a broad discussion from a variety of different disciplines about how we place children nationally globally and within development discourses Unlike other books of its kind it does not seek to dwell solely on the abiding complexities of local comparisons Rather it elaborates larger concerns about the changing nature of childhood young people s experiences their citizenship and the embodiment of their political identities as they are embedded in the processes of national development and globalization In particular this book concentrates on three main issues nation building and developing children child participation and activism in the context of development and globalization and children s live in the context of what has been called the end of development These are relatively broad research perspectives that find focus in what the authors term reproducing and developing children as a key issue of national and global concern They further argue that understanding children and reproduction is key to understanding globalization

*Globalisation, Ideology and Social Justice Discourses* Joseph Zajda, Yvonne Vissing, Suzanne Majhanovich, 2022-05-31 This book examines dominant discourses in social justice education globally It presents cutting edge research on the major global trends in education social justice and policy research Using diverse paradigms ranging from critical theory to discourse analysis the book examines major social justice and equity education reforms and policy issues in a global culture with a focus on the ambivalent and problematic relationship between social justice education discourses ideology and the state The book discusses democracy ideology and social justice which are among the most critical and significant factors defining and contextualising the processes surrounding social justice education reforms globally It critiques current social justice education practices and policy reforms illustrating the shifts in the relationship between the state ideology and social justice education policy Written by authors from diverse backgrounds and regions this book examines current developments in research concerning social justice education It enables readers to gain a more holistic understanding of the nexus between social justice education and dominant ideologies both locally and globally It also provides an easily accessible practical yet scholarly insights into local and global trends in the field of social justice education Discourses of Globalization Ideology and Social Justice with contributions from key scholars worldwide should be required reading for a broad spectrum of users including policy makers academics graduate students education policy researchers administrators and practitioners

**Globalization and Children** Natalie Hevener Kaufman, 2002-11-30 The primary aim of *Globalization and Children* is to present an interdisciplinary analysis of a diverse set of global changes and their effects on the everyday lives of children Contributors offer guidelines which will enable researchers policy makers and other child advocates to increase their

understanding of how global change is affecting children and which interventions would be useful in understanding and developing policies that would advance the well being of children The book explores and explains how children have been excluded from our conceptualization of the world and our research about globalization The contributors represent a variety of perspectives from different disciplines including anthropology sociology psychology politics international relations law and economics Globalization and Children will be an indispensable resource for practitioners and policy makers who are concerned with children and child related issues psychologists sociologists social workers and upper level students in anthropology sociology psychology and education

### **LITERACY DRIVE AND REHABILITATION OF THE STREET**

**CHILDREN OF KOLKATA: AN ANALYTICAL STUDY** Dr. Shabana Haydar, 2017-06-13 Street Children are the casualties of economic growth war poverty loss of traditional values domestic violence physical and mental abuse Every Street Child has a reason for being on the streets While some children are lured by the promise of excitement and freedom majority are pushed onto the street by desperation and realization that they have nowhere else to go In many countries Street Children are named after their main survival activities What is obvious is that Street Children are poverty stricken and their needs and problems are a result of wanting to meet basic needs for survival They go through the struggle of providing themselves with basic things such as food shelter health and clothing Providing targeted interventions that meet the needs of Street Children requires an understanding of who they are what they need what they do and how they can be identified Shukla P C Street Children and the asphalt life 2005

### **Children Rights and Wellbeing in India** Joseph A Gathia, Sanjay V.

Gathia, 2015-01-01 India has emerged as one of the fastest growing markets in the world But what does it mean to its children Of total estimated population in 2014 as 1 236 million nearly 28 5 % are below age of 14 years Despite such a huge child population in India the issues that affect their lives and even survival tend to receive remarkably little attention This study Children s Rights and Well being in India Law Policy and Practice Volume I II and III is one among the few to address this theme on such a wide canvas that spans both time frame and issues There has been a growing interest over the past decade in the concept of child s rights among policy makers practitioners and academics in both India and internationally But does it mean the same thing to children and families as it does to policy makers How can it be measured And if it has begun to impact on government policy has it made any difference to children s lives The three volume study Children s Rights and Well being in India provide an overview of key child development policies programmes laws trends and raises pertinent questions about their potential impact on children s rights The challenges of improving children s well being go beyond the provision of more effective public services important though these are The bigger questions are how can we create a society in which children are better valued and parents better supported in bringing up their children And what can be done to reduce inequalities which influence every aspect of children s well being This book makes use of a variety of sources of data including that of Govt of India the World Bank and UN agencies particularly the UNICEF and the ILO All the three volumes of

Children's Rights and Well being in India are an essential text for all those who want to understand the crisis threatening our children's future      General Awareness for SSC Exams - CGL/ CHSL/ MTS/ GD Constable/ Stenographer Disha

Experts,2017-07-10 General Awareness for SSC Exams CGL CHSL MTS GD Constable is a tailor-made product for all requirements of SSC aspirants It provides a comprehensive study of all sections that are covered under the subject of General Knowledge It comprehensively covers Geography History Polity Economy Business General Science Ecology Environment Art Culture Sports Healthcare Communication News Media Education Career IT Computers and Technology The book has been prepared keeping in mind the importance of the questions asked in previous years competitive exam papers of the different SSC exams Some other Salient Features India Panorama World Panorama Most Famous People of All Time Mindmaps provided for the various sections makes it easier for students to capture the topics Latest Update provides the various important people event issue and ideas of latest times The book will prove to be a one stop solution for all SSC students looking for general awareness      Childhood Michael Wyness,2015-01-08 What is childhood In recent years a

cluster of critical and complex ideas have emerged around the nature of biological social and psychological growth in the early years reflecting the changing nature of adult child relations and political and cultural understandings of childhood in the twenty first century In this clear and concise book Michael Wyness offers fresh insights into the current state of play within childhood studies Drawing on work from a number of disciplines including sociology geography and history he discusses the contested terrain of theoretical and research advances with particular attention to the notion of children's agency and the concept of global childhoods Key conceptual debates are illustrated through a range of contemporary issues that affect children and adults including inequality child abuse ill health child labour sexualization and identity formation This book will appeal to students and academics within the fields of sociology education geography history and childhood studies      Routledge International Handbook of Children's Rights Studies Wouter Vandenhoe, Ellen Desmet, Didier

Reynaert, Sara Lembrechts,2015-03-24 Since the adoption of the UN Convention on the Rights of the Child 1989 children's rights have assumed a central position in a wide variety of disciplines and policies This handbook offers an engaging overview of the contemporary research landscape for those people in the theory and practice of children's rights The volume offers a multidisciplinary approach to children's rights as well as key thematic issues in children's rights at the intersection of global and local concerns The main approaches and topics within the volume are Law social work and the sociology of childhood and anthropology Geography childhood studies gender studies and citizenship studies Participation education and health Juvenile justice and alternative care Violence against children and female genital mutilation Child labour working children and child poverty Migration indigenous children and resource exploitation The specially commissioned chapters have been written by renowned scholars and researchers and come together to provide a critical and invaluable guide to the challenges and dilemmas currently facing children's rights      **From the Global to the Local** Andrea Schapper,2013-11-07

From the Global to the Local develops a unique perspective on human rights governance in developing countries where the state often lacks the required resources capacities and expertise for implementing rights Considering how rights that have been agreed upon in the global arena of world politics are locally implemented this book then specifically explores how they reach the local children of Bangladesh s urban slums and poor rural areas Andrea Schapper combines an analytical framework grounded in international relations scholarship on global governance with empirical field research methods that have their basis in sociology and anthropology Utilising this methodology the book examines three principles that represent a global consensus on children s rights the protection of children from the worst forms of child labor providing them with primary education and delivering basic health care services to them to illuminating the need for local and contextual solutions to transnational issues Exploring such concerns with vigor this book fills a gap in the study of human rights implementation and protection and will thus be of immense interest to students of Law of International Relations and of Development Studies

*Child Right* ,2002      **The International Journal of Children's Rights** ,2002      **The Indian National Bibliography** B. S. Kesavan,2006      **Children, Young People and Media Globalisation** Cecilia von Feilitzen,Ulla Carlsson,2002      Comparative Child Protection Practice in England and Germany Gavin Hutchison,2015-02-13

Essay from the year 2014 in the subject Pedagogy Pedagogic Sociology grade 70 University of Portsmouth language English abstract Social work practice in relation to child protection has gone through changes in both England and Germany due to global and local processes International social work policy and professional standards driven by the juxtaposition of neo liberalism and social justice has become a cornerstone of national and local professional practice contexts Practice relating to safeguarding children has developed globally through the process of political globalisation connecting large scale societies together in a whole variety of ways from international political agreements electronic communication technologies and more fluid migration patterns Giddens 2009 110 Policy development and implementation by Supra National organisations such as the United Nations are often created as universal blanket policies with the aim of promoting equality and social justice for all For example child protection policy in both countries has been influenced by the United Nations Convention on the Rights of the Child UNCRC 1989 However local policy and practice will nevertheless be influenced by national contexts and mediated by country specific institutional arrangements a process describe d as glocalization Lyons et al 2006 34 Further to this national policy development is often not constrained to its borders and can influence policy development internationally Increasingly national policies are rarely purely domestic in impact but have international implications either because they impact directly or because of social policy emulation Healy 2001 cited in Lyons et al 2006 28 Global communication and the availability of data and research has become instantaneous International and professional leaders and academics are able to compare and contrast theoretical perspectives policies and practices and adapt them to fit local contexts

**National Report on Sexual Abuse, Exploitation, and Trafficking of Children in Nepal-2001** ,2001 Study presented as part of

the proceedings of the World Congress with special reference to Nepal      **Education, Asylum and the 'Non-Citizen' Child** Halleli Pinson, Madeleine Arnot, Mano Candappa, 2010-04-29 Refugees are physically and symbolically out of place their position forcing receiving states to address issues of rights and moral obligations This book is concerned with asylum seeking and refugee children in the UK whose presence represents a litmus test of state commitment to human rights equality and justice for all children      **Indian National Bibliography** B. S. Kesavan, 2006      *Youth, Globalization, and the Law* Sudhir Alladi Venkatesh, Ronald Kassimir, Social Science Research Council (U.S.). Collaborative Research Network on Youth and Globalization, 2007 Addresses the impact of globalization on the lives of youth focusing on the role of legal institutions and discourses      **Globalization and Economy: Globalizing labour** Paul Warren James, 2007 Globalization and Economy is the second set which looks at economics broadly conceived including global markets global finance global economic institutions and global labour
