

A hand holding a magnifying glass over a diagram of a bladder. The background is a blurred image of a person in a white lab coat, possibly a doctor, holding a large blue medical device. The magnifying glass is held by a hand in the foreground, focusing on a small, detailed diagram of a bladder. The diagram shows the bladder as a reddish, oval-shaped organ with two thin lines extending from its top and bottom, representing the ureters and urethra. The magnifying glass has a silver frame and a black handle.
