The Routledge Handbook of the Sociopolitical Context of Language Learning Weixiao Wei, Der-lin Chao, 2025-03-11  
The Routledge Handbook of the Sociopolitical Context of Language Learning is a compelling examination of how language education must adapt to our rapidly changing world. This book explores the need for a fresh perspective on language learning, moving beyond traditional methods to address the complexities of today's global landscape. It delves into the impact of geopolitical shifts, cultural exchanges, and social justice issues on language education. The book offers a blend of theoretical insights and practical approaches, highlighting how language learning intersects with global politics and cultural diversity. It examines case studies from various countries, including Ukraine and Oman, to reveal how language policies and practices are evolving in response to contemporary challenges. By integrating themes of identity, equity, and intercultural understanding, the book presents groundbreaking content that pushes for more inclusive and effective language education. Ideal for educators, policymakers, and anyone interested in the future of language learning, this book provides valuable perspectives on how to rethink and redesign language education to better serve a diverse and interconnected world. It offers practical strategies and thought-provoking analyses, making it an essential resource for navigating the complexities of modern language teaching and learning.

*Performative Language Learning with Refugees and Migrants* Erika Piazzoli, Fiona Dalziel, 2024-03-29  
This book investigates the use of performative language pedagogy in working with refugees and migrants, exploring performative language teaching as the application of drama, music, dance, and storytelling to second language acquisition. Documenting a community-based project funded by the Irish Research Council and conducted with three groups of refugees and migrants in Ireland and Italy, the book explores the methodological, pedagogical, and ethical elements of performative language learning in the context of migration. Written by a team of arts-based researchers and practitioners, chapters discuss findings from the project that relate to factors such as embodied research methods, a motivation to belong, and the ethical imagination, while exhibiting how performative language pedagogy can be effective in supporting children and adults in a range of challenging contexts. Offering a poetic and pictorial representation of the Sorgente Project, this book will be of interest to postgraduate students, researchers, and academics in the fields of English language arts and literacy education, drama in education, the sociology of education, and second language acquisition more broadly. Those working in refugee and migrant studies and teacher education studies will also find the volume of use.
