

The background image is a dark, atmospheric landscape. A large, pale, circular moon or sun hangs in the sky, partially obscured by the title text. Below the sky, a small, dark, two-story house with a chimney sits on a hill. Several bare, leafless trees are scattered across the landscape, some in the foreground and some in the distance. The ground is dark and appears to be covered in snow or frost, with some rocky patches visible. The overall color palette is dark and moody, with shades of blue, grey, and black, and a hint of light from the moon.

Echoing Silence Lavina Bond,2016-03-29 Identical blue eyes stared determinably into mine We looked identical in every way except that Devin had recently dyed her normally black hair to platinum blond as her declaration of independence on the hold our mother had on her But in that moment the blonde hair or any other defining difference between us faded away as we looked deep into each other's eyes Behind both sets of eyes was one motherless similarity that echoed an ocean's worth of pain that had been accumulating for years with no relief An ocean of pain could easily be hidden from the world but not from a twin sister As much as both of us wanted so badly to ease some of that pain for the other we accepted that we had tried and failed for years and that we were both just incapable The eye contact and the reminder of all the pain we had endured became too overpowering for both of us and in a rare moment Devin accepted defeat by turning away from me You won't find her was now one more stone in our carefully sculpted dam that held back a flood of unspeakable topics When Drea and Devin were ten Anna Left them Vanished No explanation Their mother just no longer wanted to be their mother and this started an avalanche of unending mistakes that unguided children make Now they're twenty five and she reenters their life Yes their life not lives they're identical twins who'd spent their life trying to heal each other from the pain her abandonment inflicted Yet as much as they both should hate her want to burn her to the ground she may be the one person who can save them both separately for the first time and build them all back to Whole *Echoing Silence* John Moss,1997-10-17 The North has always had and still has an irresistible attraction This fascination is made up of a mixture of perspectives among these the various explorations of the Arctic itself and the Inuk cultural heritage found in the elders and contemporary stories This book discusses the different generations of explorers and writers and illustrates how the sounds of a landscape are inseparable from the stories of its inhabitants Published in English *Echoes Of Silence* Myr Reyes E Tejada,2021-10-16 An echoing silence seemingly to be everywhere It's a wordplay though because only noises can echo But even if in silence the mind can speak loud and clear with resonance to give noteworthy ideas of words to play to a writer or a poet *Echoes Of Silence* is a poetry collection that makes noise from the heart of Myr Reyes E Tejada with affectionately mirthful mostly about nature love and human behavior with echoes of messages to readers heart and soul That's what this book is all about Scribbling Katie Hall,2012-03 Katie Hall's poems are of the rare kind that pierce right into your soul leaving a tingling feeling under your skin matched only by the speechless silence enveloping the roaring storms in your mind In other words They touch you Not as soapy pathos on contrary they touch your deepest poorly lit spots because they are so real and relevant No matter if you have lived situations similar to what the poems get into you feel that you are right there right in it You empathise not with the author or a narrator but with yourself What makes Katie Hall's poetry lie so close to our own struggles and doubts are their

way of spinning around the swirl formed by the eternal dilemma between needing and resisting between shame and desire Ultimately between honesty and pretence To be read one by one reflected upon and then re read If you are up to it Cause you will discover sides of yourself that you had forgotten about or stowed away Now with Katie Hall it is time to find it back Bjorn Clasen **Under the stars of a Salt Lake Sky** Anastacia Luckau,2025-07-27 A meticulously planned life A devastating betrayal A fall she never saw coming Cassandra had it all a successful career a beautiful apartment and a fourteen year marriage She thrived on order and control but in a single afternoon her world is surgically dismantled Betrayed by her husband she is left emotionally shattered and financially ruined with nothing but a box of office supplies and the clothes on her back Suddenly stripped of her identity Cassandra is plunged into the brutal invisible world of homelessness on the streets of Salt Lake City To survive she must unlearn every rule she has ever lived by In the unforgiving landscape of Liberty Park she meets Jake a quiet wary survivor who navigates the city s underbelly with a competence born of long hardened experience Guarded and fiercely independent he and his loyal dog Max are a world away from the polished life Cassandra once knew Bound by the grim reality of their circumstances they forge an unlikely and fragile alliance against the cold the hunger and the constant threat of violence But as they fight to endure a system designed to keep them down they discover a connection more profound and a love more real than anything they ve ever known When a new horror threatens to break Cassandra completely their bond is tested forcing them to decide if love is a luxury they can t afford or the only thing that can truly save them Inspired by true events Under the Stars of the Salt Lake Sky is a raw and unflinching story of what it means to lose everything and the incredible resilience of the human heart to find a home in the most unlikely of places

Violence and Memory in Zimbabwean Literature Tanaka Chidora, 2025-12-01 This book investigates how Zimbabwean literary texts subvert state sponsored amnesia when it comes to the many forms of past and ongoing political violence in Zimbabwe Zimbabwean Literature provides an important space for confronting the past and reflecting on how violence continues into the present day This violent past was forgotten either through the promise of violence against those who sought to remember or by depicting the violence as a necessary tool of a never ending decolonisation process or by appealing to the logic of letting bygones be bygones For instance by claiming that the five years of the Gukurahundi genocide were a moment of madness Robert Mugabe set a climate of state sponsored amnesia which has persisted through subsequent acts of state violence and into the Mnangagwa era Drawing on key works by Shimmer Chinodya Alexander Kanengoni Yvonne Vera Novuyo Rosa Tshuma Brian Chikwava Chenjerai Hove Panashe Chigumadzi and NoViolet Bulawayo this book investigates how fictional works challenge this state sponsored amnesia in relation both to Gukurahundi and other past and ongoing forms of violence Bringing together iconic literary texts from 1980 to 2022 the book draws a common thread through the texts connected histories and highlights their role in de silencing the past Situated at the interface of memory studies and literary criticism this book will be of interest to researchers across the fields of African literature politics development and history
