**Producing Children** Peter C. Kunze, Victoria Ford Smith, 2025-04-15 Producing Children imagines the possibility indeed the inevitability of a creative relation between children as producers and consumers by revising the long established hierarchical relation between adults and children The chapters in this collection reveal that studying child produced culture complicates our received understandings of children's culture as culture by adults for children about children They also underscore children's literature as a cultural phenomenon that moves across and beyond genres forms and media As a whole this collection reveals that attention to child produced culture invites dialogue and collaboration across fields and disciplines invested in the critical understanding of children as embodied beings and childhood as both a stage of development and

discursive construct with social political economic and cultural dimensions and influence With the ongoing vibrancy of childhood studies as a multidisciplinary area of inquiry studies of child produced culture provide scholars with an exciting opportunity to complicate enrich and expand theorization of childhood creativity children s culture and even children themselves

**The Anxious Generation** Jonathan Haidt, 2024-03-26 THE INSTANT 1 NEW YORK TIMES BESTSELLER A Wall Street Journal Top 10 Book of 2024 A New York Times and Washington Post Notable Book One of Barack Obama s Favorite Books of 2024 A TIME 100 Must Read Book of 2024 Named a Best Book of 2024 by the Economist the New York Post and Town Country The Goodreads Choice Award Nonfiction Book of the Year Finalist for the PEN Literary Awards A must read for all parents the generation defining investigation into the collapse of youth mental health in the era of smartphones social media and big tech and a plan for a healthier freer childhood With tenacity and candor Haidt lays out the consequences that have come with allowing kids to drift further into the virtual world While also offering suggestions and solutions that could help protect a new generation of kids Shannon Carlin TIME 100 Must Read Books of 2024 After more than a decade of stability or improvement the mental health of adolescents plunged in the early 2010s Rates of depression anxiety self harm and suicide rose sharply more than doubling on many measures Why In The Anxious Generation social psychologist Jonathan Haidt pronounced height lays out the facts about the epidemic of teen mental illness that hit many countries at the same time He then investigates the nature of childhood including why children need play and independent exploration to mature into competent thriving adults Haidt shows how the play based childhood began to decline in the 1980s and how it was finally wiped out by the arrival of the phone based childhood in the early 2010s He presents more than a dozen mechanisms by which this great rewiring of childhood has interfered with children s social and neurological development covering everything from sleep deprivation to attention fragmentation addiction loneliness social contagion social comparison and perfectionism He explains why social media damages girls more than boys and why boys have been withdrawing from the real world into the virtual world with disastrous consequences for themselves their families and their societies Most important Haidt issues a clear call to action He diagnoses the collective action problems that trap us and then proposes four simple rules that might set us free He describes steps that parents teachers schools tech companies and governments can take to end the epidemic of mental illness and restore a more humane childhood Haidt has spent his career speaking truth backed by data in the most difficult landscapes communities polarized by politics and religion campuses battling culture wars and now the public health emergency faced by Gen Z We cannot afford to ignore his findings about protecting our children and ourselves from the psychological damage of a phone based life

**Impact of Influencer Marketing on Young Women's Customer Experience on Cosmetic Products** Jule Prescher, 2023-06-06 Bachelor Thesis from the year 2023 in the subject Communications Multimedia Internet New Technologies grade 1.3 University of applied sciences Cologne language English abstract This thesis aims to realize how influencer marketing performs and its impact on

the Cx Therefore the research addresses the following questions How powerful are influencers these days What is different about influencer marketing and why is it a successful strategy How do people perceive information shared by influencers and which factors are decisive for potential customers to purchase products advertised by influencers What impact does an influencer have on the overall Cx The internet has been fully integrated into people s daily lives worldwide over the past years The percentage of the world s population with access to the internet has doubled from 32% in 2011 to 63% in 2021 90% of people from developed countries access the internet in 2021 At the same time the number of social network users is increasing These networks have the purpose of connecting with friends In 2022 5 billion people have access to the internet worldwide and 4.7 billion people use social media SM Ultimately 93% of those with internet access own at least one SM account that is more than half the population worldwide Through time companies found new marketing strategies which reached active people on SM These platforms are necessary to reach Generation Z people born in the late 1990s They are different and cannot be reached in the same way as they watch Netflix instead of TV or listen to Spotify instead of the radio for example Influencer marketing became a 10 billion industry in 2020 Influencers share their lives on SM networks Due to their high reach they receive offers from companies for cooperation Influencers followers admire and trust their

recommendations due to their personal and authentic representation While advertising products influencers show how to use them where to buy them and give their opinion For higher sales influencers often receive promo codes for a discount or free products for each order
