Spotify Top Charts Readers Choice:

Just Read It Jarred Amato, 2024-02-01 Read widely and read often create a classroom environment where independent reading thrives Independent reading is more than just drop everything and read it is a gateway to writing critical thinking discussion and deeper learning Author Jarred Amato an accomplished middle and high school English teacher and founder of Project LIT Community believes in the power of independent reading not only to turn around the reading attitudes of students but also to help them achieve huge gains in all areas of literacy learning and civic engagement Many teachers have pushed aside independent reading in the time crunch to teach all the content and skills in the curriculum or because of pressure to stay true to a traditional literary canon Instead of looking at it as either or Just Read It shows teachers how to make independent reading yes and Dr Amato's Read and WRAP write reflect analyze participate framework helps teachers cultivate meaningful learning experiences with daily dedication of independent reading time followed by writing reflection conversation and community building lessons and activities With thoughtful student centered structures and strategies to sustain independent reading success this book Provides detailed insights on transforming the principles of access choice time and community into actions Shows how to support student interests and varied reading levels Offers ready to go activities to initiate Read and WRAP routines at the start of the school year keep momentum going and finish the year strong to ensure continued literacy growth Demonstrates how to leverage student feedback to fine tune the Read and WRAP routines Discusses various options for incorporating independent and whole class novels into the curriculum Offers a game plan to level up IR including how to launch and lead a Project LIT chapter We live in a time when choosing what we read is critically important and this book offers all the tools teachers need to guide students along the path to true literacy Just Read It is perfect for anyone who believes in the power of books to change students lives and nurture a life long love for reading

Billboard , 2010-01-09 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **The Music Export Business** Stephen Chen, Shane Homan, Tracy Redhead, Richard Vella, 2021-04-12 The Music Export Business examines the workings of the fast changing world of music industry exports The music industry is in a state of flux resulting from changes in technology markets government policies and most recently the COVID 19 pandemic In analysing the ability of organisations to access international markets from inception this book assesses global trends in music industry business models including streaming and national export policies The book deploys author interviews with industry insiders including musicians managers record labels and government stakeholders using case studies to highlight cultural and economic value creation in a global value chain Providing research based insights into export readiness in the global music industry this book reassesses the born global phenomenon providing a unique and valuable resource for scholars and reflective practitioners

interested in the evolving relationship between music industries national economies government policies and cultural identity

Women, Music, Culture Julie C. Dunbar, 2020-12-30 *Women Music Culture An Introduction Third Edition* is the first undergraduate textbook on the history and contributions of women in a variety of musical genres and professions ideal for students in Music and Gender Studies courses A compelling narrative accompanied by 112 guided listening experiences brings the world of women in music to life The author employs a wide array of pedagogical aides including a running glossary and a comprehensive companion website with links to Spotify playlists and supplementary videos for each chapter The musical work of women throughout history including that of composers performers conductors technicians and music industry personnel is presented using both art music and popular music examples New to this edition An expansion from 57 to 112 listening examples conveniently available on Spotify Additional focus on intersectionality in art and popular music A new segment on Music and MeToo and increased coverage of protest music Additional coverage of global music Substantial updates in popular music Updated companion website materials designed to engage all learners Visit the author's website at www.womenmusicculture.com

Swift Leadership Mariah Yates, Michael J. Urick, 2025-03-18 *Swift Leadership A Taylor made Approach to Influence and Decision Making* uses the case study of global popstar Taylor Swift to explore a range of leadership concepts such as transformational leadership goal setting creativity and innovation power team effectiveness and more

Hearing Luxe Pop John Howland, 2021-06-08 *Hearing Luxe Pop* explores a deluxe production aesthetic that has long thrived in American popular music in which popular music idioms are merged with lush string orchestrations and big band instrumentation John Howland presents an alternative music history that centers on shifts in timbre and sound through innovative uses of orchestration and arranging traveling from symphonic jazz to the Great American Songbook the teenage symphonies of Motown to the countrypolitan sound of Nashville the sunshine pop of the Beach Boys to the blending of soul and funk into 1970s disco and Jay Z's hip hop orchestra events to indie rock bands performing with the Brooklyn

Philharmonic This book attunes readers to hear the discourses gathered around the music and its associated images as it examines pop's relations to aspirational consumer culture theatricality sophistication cosmopolitanism and glamorous lifestyles

Vinyl Mike Evans, 2022-09-06 This history of the LP is a must have for any music connoisseur When vinyl LP records took over the music industry in the late 1950s a new era began No longer bound by the time constraints of the shellac 78s that had been in use since the 1910s recording artists could now present an entire album rather than a lone three minute single on a vinyl LP giving listeners a completely new way to experience their music In recent years vinyl has found a second life as an art form collected and appreciated by music connoisseurs across the world Vinyl The Art of Making Records examines the origins of the vinyl format and its evolution throughout the 20th century and also provides an in depth look at how vinyl LPs are manufactured and packaged often with striking artwork that makes them beloved by music enthusiasts today Also included are four removable art prints each representing a sample of album covers from the 1960s 1970s 1980s

and 1990s Consumer Psychology Brian M. Young, 2018-07-04 This book approaches consumer psychology from a unique perspective it covers the entire lifespan from birth to old age Childhood and youth are not discussed as areas special different and remote from the rest of consumer research but are integrated into our development as humans Consumption is viewed as a process by groups and individuals with the cycle continuing through to disposal or ownership and possession The author discusses how people's natural lifespan influences their relationship to the things they own how preferences are developed from childhood and how motivations for purchases change throughout their lives from childhood to old age This book brings together the most recent findings and theories on child and youth consumption including children's understanding of advertising and marketing teen and youth identities and their consumption tastes Moving through Erikson's life stages chapters continue on to adulthood the mid life crisis and possessions and ownership in older consumers This is a deeply interdisciplinary work that will be of interest to scholars across the fields of psychology business and marketing as well as to the more general consumer Spinning the Child Liam Maloy, 2020-10-01 Spinning the Child examines music for children on records radio and television by assessing how ideals of entertainment education the child and the family have been communicated through folk music the BBC's children's radio broadcasting the children's songs of Woody Guthrie Sesame Street The Muppet Show and Bagpuss the contemporary children's music industry and other case studies The book provides the first sustained critical overview of recorded music for children its production and dissemination The music lyrics and sonics of hundreds of recorded songs are analysed with reference to their specific social historical and technological contexts The chapters expose the attitudes morals and desires that adults have communicated both to and about the child through the music that has been created and compiled for children The musical representations of age race class and gender reveal how recordings have both reflected and shaped transformations in discourses of childhood This book is recommended for scholars in the sociology of childhood the sociology of music ethnomusicology music education popular musicology children's media and related fields Spinning the Child's emphasis on the analysis of musical lyrical and sonic texts in specific contexts suggests its value as both a teaching and research resource The Times Index , 2010 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement
