only for readers interpretative response to the Commedia but also for their performative and spiritual activity Focusing on Purgatorio and Paradiso Phillips Robins investigates the particular ways in which relationships both between humans and between humans and God can unfold through liturgy Her book includes explorations of liturgy as a means of enacting communal relationships that stretch across time and space the Christological implications of participating in liturgy the interplay of the personal and the shared enabled by the language of liturgy and liturgy as a living out of the theological virtues of faith hope and love The book will interest students and scholars of Dante studies medieval Italian literature and medieval theology **ALV Journal** ,1991 *Whitaker's Books in Print* ,1998 **International Books in Print** ,1997
