Fifty Readings In Philosophy

Donald Abel

Fifty Readings In Philosophy:

Fifty Readings in Philosophy Donald C. Abel, 2003 This is a collection of classic and contemporary primary sources in philosophy The readings cover all the main topics of Western Philosophy and each one is carefully edited to be long enough to present an argument Back cover

Fifty Readings in Philosophy Donald Abel, 2007-06-07 This is a flexible and affordable collection of fifty of the most important classic and contemporary primary source readings in philosophy Perfect for introductory or advanced students the readings are organized topically and cover all the main disciplines of Western Philosophy What is Philosophy Philosophy of Religion Theories of knowledge Philosophy of Mind Free Will and Determinism Ethics and Political and Social Philosophy Longer readings are carefully edited to preserve the central self contained argument so students focus on the core reasoning and conclusions A wide selection of new readings at an attractive price makes this anthology the most versatile and affordable introduction to philosophy text on the market

Fifty Readings Plus Donald C. Abel, 2005 **CREATE COLLECTION ONLY Discourses Collection (Philosophy Readings)** Donald Abel, 2015-03-13 **Evil and Pain** Joseph B. Onyango Okello, 2017-06-15 A specific form of understanding of evil in the problem of evil debate gets assumed among a variety of materialistic naturalists Owing to their physicalist and in some cases behaviorist philosophies this understanding assumes a hedonistic view of pain that reduces valuation to pleasure and pain Herein all forms of good and evil get reduced to pleasure and pain This work reorients the debate toward a more biblical understanding of evil based on an essentialist reading of ethics The book argues that the hedonistic understanding of value characterizing prominent naturalistic materialists such as those alluded to by J L Mackie semantically seems to entail either a synonymous or a near synonymous relationship between evil and pain The book further argues that this understanding given the essentialist reading of ethics seems wrongheaded By reorienting the contours of the debate it suggests that the problem of pain might in effect be quite different from the problem of evil and that neither problem necessarily entails the other Seen in this way neither problem casts doubt on belief in God s existence

Mathematica Theologica Richard R. Mata, 2017-06-08 Mathematica Theologica consists of a classical ontological argument in the genre of the likes of William Paley J L Mackie and Thomas Aquinas What sets the argument within Mathematica Theologica apart from the arguments given by the aforementioned classical philosophers is the fact that Mathematica Theologica addresses every philosophical argument ever given which is why Mathematica Theologica is The Universe Defined If you can learn to connect informational puzzle pieces then you can comprehend all of the content within Mathematica Theologica because the content within Mathematica Theologica gives its own definitions which are individual informational puzzle pieces that fit perfectly with all other informational puzzle pieces within Mathematica Theologica according to logical progression Due to this my knowledge as applied to your knowledge equals a knowledge that is more than the sum of its parts when applied

A History of Christianity Joseph Early, 2015-02-15 A History of Christianity examines the development of Christianity from its biblical

foundations to modern times and is an ideal introductory survey for undergraduate students and any reader who desires to know more about the broad scope of Christianity

Elements of Philosophy: An Introduction Samuel Enoch Stumpf, Donald Abel, 2001-07-20 The new edition of this introductory text presents in an accessible way classical and contemporary readings on topics central to and representative of all major periods of the Western philosophical tradition The book presents 55 readings 23 of which are new to the fourth edition on seven topics epistemology philosophy of religion metaphysics personal identity and immortality free will and determinism ethics and political and social philosophy Pedagogical features make these readings accessible and interesting to beginning students All the introductions and biographical sketches have been revised for the fourth edition as have the study questions and glossary The explanatory footnotes and the stylistic modernization of texts are new to the fourth edition
