works by other composers notably John Cage and contemporary currents in painting Performance practice is examined through analysis of Feldman s non notated preferences and David Tudor s celebrated interpretations     **Morton Feldman** Ryan Dohoney,2022-02-24 Morton Feldman Friendship and Mourning in the New York Avant Garde documents the collaborations and conflicts essential to the history of the post war avant garde It offers a study of composer Morton Feldman s associations and friendships with artists like John Cage Jackson Pollock Philip Guston Frank O Hara Charlotte Moorman and others Arguing that friendship and mourning sustained the collective aesthetics of the New York School Dohoney has written an emotional and intimate revision of New York modernism from the point of view of Feldman s agonistic community     Bookforum ,2001     **The Publishers Weekly** ,1972     *Audio Culture* Christoph Cox,Daniel Warner,2004 With contributions by major composers and writers this text presents an essential overview of the changing terrain of experimental music both pop and classical     **Cornelius Cardew (1936-1981)** John Tilbury,2008 Cornelius Cardew 1936 81 was a musician of genius for whom life and art were as one He was a radical both artistically and politically becoming a tireless activist and uncompromising Marxist Leninist Passion and imagination governed all he did his boldness and humanity continue to intrigue and inspire The author whose close friendship with Cardew dates from their first concert together in January 1960 has worked for many years on this biography and brings his subject vividly to life In doing this he has drawn extensively from Cardew s journals and letters and obtained first hand accounts from friends and colleagues The handling of this material is thoughtful and meticulous Tilbury is a master story teller and this particular story is of epic scale and character We begin in 1932 appropriately on May Day with the first meeting of his parents Later we encounter the intrepid schoolboy and student who impressed sufficiently at the Royal Academy of Music to receive funds to study in Cologne with Karlheinz Stockhausen The narrative during this period is delightfully picaresque a colorful prelude to the years of family responsibilities and extraordinary musical endeavor and achievement As events unfold discussion of the music is given due weight but is never unduly weighty     *Intimate Voices: Shostakovich to the avant-garde.
