Given Dawnclaw Alphas 1 A Paranormal Shifter Menage Dark Romance:

Vigilante Alpha Denise Baer, 101-01-01 From a human trafficking site to a werewolf community one of the saved victims is the Alpha's fated mate LARC. Since my father died and I took over as Alpha of the Steelclaw Warriors Pack we started working with the FBI to take down human traffickers. During a recent mission we saved ten women from the skin trade. My Goddess I've waited my whole life to find my fated mate and it turns out she's one of the recent victims. A human. My mother and my Beta don't think Ivy is Luna material. They believe the needs of the pack come first and that I should choose another mate. A mate who isn't human or broken beyond belief. But from the moment I laid eyes on her I refused to give her up. Mine IVY. The day I took my first breath my mother took her last. Because my father blamed me for taking away the love of his life his dislike of me was prevalent throughout childhood. At the first available opportunity I fled to my boyfriend's place. Years later he tired of me so he sold me as a sex slave to the highest bidder. After years of abuse my soul is shattered. I'm no good to anyone let alone this earth. The man who saved us offered me a home except nothing could prepare me for when I find out I'm living amongst werewolves. Once I'm in his arms I experience a warmth in my soul for the first time. He's home. Ivy's ex boyfriend wants her back including the money he lost in the skin trade deal. Larc and the pack are about to go to war with her ex who has friends on Capitol Hill. Author's Note: This is a full length DARK paranormal werewolf shifter romance. This book is for those who love DARK reads and the idea of fated mates.
