But Jonas is unique in the community, and in recognition of his uniqueness, Jonas is chosen to be the next Receiver of Memory, the most important member of the Committee of Elders. The current Receiver of Memory is an elderly man who takes Jonas under his wing and begins to teach him about his new Assignment. The Receiver of Memory is the only member of the community who can recall the past before the community adopted sameness as a solution to its problems. During their times together, the elderly man becomes the Giver, passing on the memories and the knowledge Jonas will need in order to gain the wisdom necessary to lead the community. Jonas discovers that the community has not only removed sadness and pain but also joy and love. Soon Jonas discovers more secrets, including the terrible policies his community has adopted to keep everything running smoothly.
