Do It Yourself City Church Restoration:

Do It Yourself City Church Restoration Doug Perry, 2011-09-26 A ground breaking book about what the church is supposed to be how God feels about what we've built and what it's going to take to fix it all A complete paradigm shift for nearly everyone will be required Many have tried before and some are trying even now but there is ONE way to get this done right and that's getting out of God's way But hardly anybody seems to know how to do that Author Doug Perry is not theorizing about what it should look like He speaks from real experience in DOING the things he writes about and hearing God direct all his steps Do you have any idea how hard it is to NOT lean on your own understanding Prov 3 5 6 Lots more great resources for personal and church growth from Fellowship Of The Martyrs publishing If you're a church planter or church growth consultant or any other kind of professional pastor prophet priest apostle bishop or whatever else you might be you better read this before you do anything else It might just wreck you forever It might just make you a broken and contrite vessel that will be useful for God's purposes

Building News, 1878 **Find Your Place** Rob Wegner, Brian Phipps, 2019-03-26 Every person has been designed by God for one of a kind Masterpiece Mission what most people refer to as personal calling or personal purpose Everyone needs to be able to name what God has put them on the earth to do Most people never do That is a tragedy of epic proportions We need a simple way to discover that calling and Find Your Place is that way GPS technology is widely known as a way to know where you are on the earth as well as a way to guide you to get where you want to go The Find Your Place book will help followers of Jesus locate three signals that will help people discern their personal calling their Gifts their Passions and their Story and help them take meaningful next steps to engage that calling Furthermore the American Church has a Co Dependency Disorder Church members have become dependent upon church leaders and church leaders need their members to remain that way This co dependence is doing more than throttling the vitality of the church it is strangling it In order for the people of God to truly thrive and be salt and light in the world church leaders must move from simply gathering and teaching their members to empowering and releasing them This book the accompanying online assessment and the disciple making tools that both will be integrated into will all be a part of a turn key solution for church leaders to accomplish that goal
