*Summary of David Nihill's Do You Talk Funny?* Everest Media,2022-10-12T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I woke up in the middle of the night to a series of loud rumbling noises I was twenty five years old and had just moved in with a local family as part of a Spanish language school home stay program I was vomiting uncontrollably 2 The brain is hardwired to recognize remember and appreciate the information that comes to us through storytelling Stories help us learn 3 The best way to make your speech memorable is to make it work the way the brain likes it by wrapping the information in a story 4 Stories are great for memory retention but they also connect you with and humanizes your brand When you are selling yourself you must develop your storytelling skills to better sell yourself

The Talk-Funny Girl Roland Merullo,2012-08-15 In one of the poorest parts of rural New Hampshire teenage girls have been disappearing snatched from back country roads never to be seen alive again For seventeen year old Marjorie Richards the fear raised by these abductions is the backdrop to what she lives with her own home every day Marjorie has been raised by parents so intentionally isolated from normal society that they have developed their own dialect a kind of mountain hybrid of English that displays both their ignorance of and disdain for the wider world Marjorie is tormented by her classmates who call her The Talk funny girl but as the nearby factory town sinks deeper into economic ruin and as her parents fall more completely under the influence of a sadistic cult leader her options for escape dwindle But then thanks to a loving aunt Marjorie is hired by a man himself a victim of abuse who is building what he calls a cathedral right in the center of town Day by day Marjorie s skills as a stoneworker increase and so too does her intolerance for the bitter rules of her family life Gradually through exposure to the world beyond her parents wood cabin thanks to the kindness of her aunt and her boss and an almost superhuman determination she discovers what is loveable within herself This newfound confidence and self esteem ultimately allows her to break free from the bleak life she has known to find love to start a family and to try to heal her old deep wounds without passing that pain on to her husband and children By turns darkly menacing and bright with love and resilience The Talk Funny Girl is the story of one young woman s remarkable courage a kind of road map for the healing of early abuse and a testament to the power of kindness and love
