The Body of Christ Colin Isbister,2007-10 The author discusses problems within the church

and what can be done to keep the body of Christ from harming itself Practical Life *The Dramatic Works of a New Author* Jesse Paxon Tillson,1896 **Family Ministry** Charles M. Sell,1981 The success of the church s mission lies in large part with the well being of its families In Family Ministry Charles Sell addresses the multiple means by which a congregation can create and sustain healthy family life In survey after survey people say that family takes priority yet family ministries remain scarce in the church and family disintegration is a significant problem even in evangelical congregations Family Ministry offers the theoretical theological and practical resources for developing needed ministries This edition reflects the changes that have taken place in both society and church since the first edition was published in 1981 **The Dramatic Works of a New Author ... Individual American Sentiments** Jesse Paxon Tillson,1896 **Husbands** Patti Williams,1976 *The New York Drama: no. 37-48* ,1878 **Thirteen Lessons on Ephesians** Kenneth L. Schaller,2011 If you want to make a great marriage it s your choice In the dance of marriage two people can achieve happiness together when they are both happy as individuals An enduring and intimate relationship is possible when a man and a woman retain their separate and distinct identities and relate to each other as equals and with total honesty This is some of the insight that early in his career as a gynecologist Dr Jim Schaller gained when he realized that most wives were unhappy or at least disappointed in their marriage while most husbands needed to get in touch with buried feelings especially in running the gauntlet from boyhood to manhood He saw that male control remains the primary reason for women s frustration depression and anger and that equality and honesty based on loving kindness warmth attention thoughtfulness tenderness and caring leads to respect trust and true companionship that is what couples desire most in their relationship While intimacy may be the crowning jewel day to day relationships are hard work becoming more aware of ourselves and learning to listen and talk about feelings Dr Schaller s message to husbands and wives is straightforward Love honor and appreciate yourself as this is the key to becoming a more honest open and responsible partner So be prepared to work on yourself **The Lady of New Orleans** Marcellus Eugene Thornton,1901
