Equipping The Saints Mobilizing Laity For Ministry:

Equipping the Saints Michael J. Christensen, 2000 Experts on congregational life tell us that ministry in the next century will depend more on called trained and committed lay leadership than it has since the days of the early church But how will congregations recruit these lay leaders How will they develop new models for training and equipping them for all the ministries of the church What will the role of clergy be in adopting this new partnership that Leonard Sweet calls ancient future ministry *Equipping the Saints* seeks to help congregational leaders answer these and other questions related to mobilizing lay ministry in the years ahead The chapters include *Shall We Abolish the Clergy or the Laity* by Michael Christensen *Team Building Through Spiritual Gifts* by Brian Bauknight *The Loss and Recovery of the Biblical Basis for Ministry* by Russell Moy *Out of the Pew Into the World* by Jessica Moffat *The Seeker Service in the Mainline Church* by Eric Park *Circuit Riding in the 21st Century* by Rob Duncan and *Life Together Reclaiming the Ministry of Small Groups* by Christine Anderson *Key Features* Responds to emerging trends that promise to be determinative of the shape of ministry in the next century Addresses an important practical need in congregations Offers help in formulating new models for congregational ministry *Key Benefits* Readers will understand the important emerging need for called trained and committed laypersons to engage in ministry Readers will learn how to recruit and train lay leaders Readers will identify a new model of clergy lay ministry partnership *Reframing Spiritual Formation* Edward H. Hammett, 2002 *Reframing Spiritual Formation* takes seriously the realities of an increasingly secular pluralistic and spiritually thirsty population base most churches face with fear yet are called to reach and disciple Hammett provides succinct overviews of the challenges and opportunities these realities bring to the doors of churches and their leaders His primary focus is on facilitative questions and practical ideas for discipling the church and the unchurched who are seeking grounding and meaning in this rapidly changing world

Creative Church Leadership John Adair, John Nelson, 2004 *Following Management and Ministry and Leading Managing* Ministering this third MODEM handbook explores an issue at the very heart of the Church how can an ancient institution with so many encumbrances remain a living sign of the Kingdom of God **Ancient-Future Evangelism** Robert E. Webber, 2003-11 Feel like the church is a mile wide but only an inch deep Robert Webber offers the remedy by translating evangelism wisdom from the past into the future *Encyclopedia of Protestantism* Hans J. Hillerbrand, 2004-08-02 For more information including sample entries full contents listing and more visit the *Encyclopedia of Protestantism* web site Routledge is proud to announce the publication of a new major reference work from world renowned scholar Hans J Hillerbrand *The Encyclopedia of Protestantism* is the definitive reference to the history and beliefs that continue to exert a profound influence on Western thought Featuring entries written by an international team of specialists and scholars the encyclopedia traces the course of Protestantism from its beginnings prior to 1517 when Martin Luther nailed his 95 Theses to the door of Wittenberg Cathedral to the vital and diverse international scene of the present day [A Mosaic of Believers](#)

Gerardo Marti,2009-10-26 Mosaic in southern California is one of the largest and most innovative multiethnic congregations in America Gerardo Marti shows us how this unusual church has achieved multiethnicity not by targeting specific groups but by providing multiple havens of inclusion that play down ethnic differences He reveals a congregation aiming to reconstruct evangelical theology personal identity member involvement and church governance to create an institution with greater relevance to the social reality of a new generation **The Pastor As Church Leader and Educator** Herbert W.

Earle Rabb,2009-01-01 A famous person is missing The human Jesus of Nazareth is missing from the creeds of the church missing from most of the New Testament and hidden within the four New Testament gospels It will take an exciting piece of detective work to find him and upon finding him there will be a big surprise He may not turn out to be the person the reader expects to find Finding Jesus of Nazareth can transform churches communities and individuals in unexpected ways Many people today are being drawn to the original message of Jesus apart from the image of Jesus proclaimed by the traditional church There is a hunger for the values Jesus proclaimed and practiced This book will help everyone religious or not discover the human Jesus and his original vision of new communities of equity social justice and shared resources as well as discover what that means in our modern world *American Book Publishing Record* ,2000-07 *Effective Pastors for a New Century* James E.
