Erotic Poems Oxford Worlds Classics:

Faust: Part Two J. W. von Goethe, 2008-05-08 Loosely connected with Part One and the German legend of Faust Part Two is a dramatic epic rather than a strictly constructed drama It is conceived as an act of homage to classical Greek culture and inspired above all by the world of story telling and myth at the heart of the Greek tradition as well as owing some of its material to the Arabian Nights tales The restless and ruthless hero advised by his cynical demon companion Mephistopheles visits classical Greece in search of the beautiful Helen of Troy Returning to modern times he seeks to crown his career by gaining control of the elements and at his death is carried up into the unknown regions still in pursuit of the Eternal Feminine David Luke's translation of Part One won the European Poetry Translation Prize Here he again imitates the varied verse forms of the original and provides a highly readable and acceptable translation supported by an introduction full notes and an index of classical mythology ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Erotic Poems Johann Wolfgang von Goethe, 1999 a world without love would be no world Elegy II This bilingual edition of Goethe's erotic poems contains the Roman Elegies 1789 The Diary 1810 and a selection from the Venetian Epigrams of 1790 Editorial censorship has long obscured the true form and content of the Elegies which were inspired by Goethe's sexual liberation in Italy and his love for the woman he took as his unofficial wife on his return to Germany They are here presented as Goethe boldly conceived them together with the long suppressed narrative poem known as The Diary Superficially the story of a failed sexual adventure by a man of 60 at another level this is a profound study of the psychology of desire and the nature of fidelity as well as being one of the most beautiful and good humoured poems in the German language Completing the edition is a selection from Goethe's more light hearted and much censored cycle of erotica the Venetian Epigrams David Luke's translations do full justice to Goethe's aim of liberating German poetry and restoring sexual love to its central position in human life Hans Vaget's fine introduction provides the background to these poems as well as showing some of the profound and little known connections between them Johann Wolfgang Goethe was born in 1749 the son of a well to do citizen of Frankfurt In the early 1770's he was the dominating figure of the German literary revival his tragic novel Werther bringing him international fame In 1755 he became a minister of state and director of the court theatre and in the 1790's he and his younger contemporary Schiller were the joint architects of Weimar Classicism the central phase of German literary culture Faust written at various stages of his life and in a variety of styles became a constantly enlarged repository of his personal wisdom and his creative energies never ceased to take new forms In 1806 he married Christiane Vulpius having lived with her for eighteen years He died in 1832

A Sentimental Journey and Other Writings Laurence Sterne, 2003-07-10 Love is nothing without feeling And feeling is still

less without love Celebrated in its own day as the progenitor of a school of sentimental writers *A Sentimental Journey* 1768 has outlasted its many imitators because of the humour and mischievous eroticism that inform Mr Yorick's travels Setting out to journey to France and Italy he gets little further than Lyons but finds much to appreciate in contrast to contemporary travel writers whom Sterne satirizes in the figures of Smelfungus and Mundungus A master of ambiguity and double entendre Sterne is nevertheless as concerned as his peers with exploring the nature of virtue unlike other writers of sentimental fiction Sterne insists on the inseparability of desire and feeling This new edition includes a selection from *The Sermons of Mr Yorick* which shed light on the concerns of the Journey *The Journal to Eliza* which records Sterne's feelings as he languishes for the company of Eliza Draper and *A Political Romance* the satire on a local ecclesiastical squabble that was the catalyst for Sterne's literary career ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more **The Flight to Italy**

Johann Wolfgang von Goethe, 1999 This is the authentic day to day record of the first eight weeks of freedom as Germany's greatest poet heads for the Italy he has been yearning to see since childhood and finds himself in a new world of warmth and light Leaving behind the difficulties of a decade in Weimar the burden of administration a difficult love affair and the frustration of not having time to work on his literary projects he discovers himself again as a sensuous being and an artist Goethe's fresh and spontaneous notes sometimes dashed down at crowded tables in primitive Italian inns bring together art and nature Antiquity and the Renaissance aesthetics and science observations of climate rocks plants and the Italian people in an unpremeditated mixture through which the poet's mature vision of the natural and human world can be seen taking shape Never before translated into English this diary brings us close to a great European writer at a turning point of his life

Landmarks in Classical Literature Philip Gaskell, 1999 Providing the context of time and place as well as discussing the translations *Landmarks in Classical Literature* surveys the most influential authors of ancient Greece and Rome Part of the three book series *Landmarks in European Literature* which presents the major authors of European literature and their works from ancient times until the 20th century this volume is designed for general readers and students looking for additional guidance in their reading or wishing to understand the context in which these fascinating works were written Helping and encouraging readers to explore and enjoy the European literary heritage the *Landmarks in European Literature* series include *Landmarks in Continental European Literature* *Landmarks in Classical Literature* and *Landmarks in English Literature* all of which will prove valuable at any library supporting literary studies *The Country Wife and Other Plays* William Wycherley, 2008-11-13 Wycherley's four comedies are admired for their satirical wit farcical humour vivid characterization and social criticism *Love in a Wood* a lively comedy of intrigue established him as a brilliant new dramatist

The Gentleman Dancing Master in contrast disappointed contemporary audiences but the central relationship between Hippolyta and Gerrard features an original and sympathetic study of a young woman's attitudes and feelings The Country Wife is a sharp but also highly amusing attack on social and sexual hypocrisy The Plain Dealer a powerful dramatic satire loosely based on Moliere's Le Misanthrope continues and enlarges Wycherley's assault on greed and corruption Under the General Editorship of Michael Cordner of the University of York the texts of the plays have been newly edited and are presented with modernized spelling and punctuation In addition there is a scholarly introduction a note on staging and detailed annotation ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Evelina Frances Burney, 2002-04-18 Lord Orville did me the honour to hand me to the coach talking all the way of the honour I had done him O these fashionable people Frances Burney's first and most enduringly popular novel is a vivid satirical and seductive account of the pleasures and dangers of fashionable life in late eighteenth century London As she describes her heroine's entry into society womanhood and inevitably love Burney exposes the vulnerability of female innocence in an image conscious and often cruel world where social snobbery and sexual aggression are played out in the public arenas of pleasure gardens theatre visits and balls But Evelina's innocence also makes her a shrewd commentator on the excesses and absurdities of manners and social ambitions as well as attracting the attention of the eminently eligible Lord Orville Evelina comic and shrewd is at once a guide to fashionable London a satirical attack on the new consumerism an investigation of women's position in the late eighteenth century and a love story The new introduction and full notes to this edition help make this richness all the more readily available to a modern reader ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more
