Eric's Heart When A Mother Grieves:

Eric's Heart... When a Mother Grieves Laura Lynn Sargent, 2015-07-22 Journey along with mother and child as Laura Lynn Sargent shares her story about her son Eric Eric was ornery and silly loving and affectionate he was also brave Eric was born with severe congenital heart disease Time and again he boldly faced medical giants and won the battle Eventually the disease took its toll and Eric died when he was six Eric was precious in Gods sight During his last heart surgery he underwent a procedure called circulatory arrest which left him with no heartbeat or oxygen for just short of an hour Three weeks later Eric told his mommy about going to heaven In heaven he had a new body without scars He also described the four living creatures around the throne of God and the noise they made but he wouldnt describe God He said Youre not supposed to know In 2 Corinthians 12:14 Paul describes a similar visit to heaven where he heard inexpressible things things no one is supposed to tell Eric died of heart failure five months after his last surgery Losing Eric left a gaping hole in Lauras heart The road to healing was long and exhaustive over time and little by little Gods comfort and compassion gently wiped away her tears God put a call on Lauras life to write Eric's story her story more than thirty years ago Being a recent empty nester her home is quiet for the first time in thirty eight years Thus a perfect scenario to write Eric's Heart When a Mother Grieves lauralynnsargent.com

From My Heart Lisa McCann, 2013-12-27 My only son was murdered in December 2012 and I was having a very hard time dealing with my grief I looked into counselling groups but the meetings were held on week nights and this was impossible for me as I work an afternoon shift I would come home from work and write how I felt in a notepad as I was doing this my expressions of grief were coming out in poems I began posting my expressions of my grief on my facebook page my family would comment on how beautiful they were and that maybe I should consider publishing them in a book I thought no who would really want to read about my grief and how I hurt inside Then I found a facebook page for grieving mothers and began posting my expressions there In no time so many grieving mothers from all over were wanting to share my poems They had all encouraged me to write my expressions in a book and thats what I've done For all the grieving mothers in the world this is from my heart

poetry is from my heart These words came out of a place so deep within me that it sustained my life when I wanted to die too as I watched my son s life slip away The story of this dying process comes from my perspective It s the best I can give you My son Thomas had to endure the pain and suffering of cancer and an amputation that could never heal plus the fear and dread of leaving a wife and young child which is a sorrow I cannot even imagine for such a tender loving man and devoted father The story poured out of my heart through my fingertips and onto the page as the great river of grief flowed through me Allowing it so I later learned is what awakened in me the ancient force I was longing to reconnect to but had forgotten how my soul I wrote these poems for myself it was how I survived the grief of my son s death Now I want to share my son s story his love my love the love that runs through us and is us May the thread of connectedness be revealed so that in hearing our story you may take courage when the time comes and really give yourself permission to be present and truly show up In the end the only thing that really matters is love Through poetry I have woven a web of connectedness a bridge into the shared heart of a mother and her dying son The way is lighted for you but your experience will be your own you will learn what there is for you to learn There are no words to describe some things and poetry is such a beautiful way to give these no words expression The deepest experience is awarded those who can read between the lines I encourage you to read aloud those passages that bring tears to your eyes or a lump in your throat You do me honor which I pass on to my son These words came from a place so deep within that it sustained me when I wanted to die in sympathy as I watched the life force slip away from my son s wasting body Through grief I encountered my soul and re awakened to my soul journey
