## **Escape To Manila From Nazi Tyranny To Japanese Terror:**

**Escape to Manila** Frank Ephraim, 2010-10-01 A harrowing account of Jewish refugees in the Philippines With the rise of Nazism in the 1930s more than a thousand European Jews sought refuge in the Philippines joining the small Jewish population of Manila When the Japanese invaded the islands in 1941 the peaceful existence of the barely settled Jews filled with the kinds of uncertainties and oppression they thought they had left behind In this book Frank Ephraim who fled to Manila with his parents gathers the testimonies of thirty six refugees who describe the difficult journey to Manila the lives they built there upon their arrival and the events surrounding the Japanese invasion Combining these accounts with historical and archival records Manila newspapers and U S government documents Ephraim constructs a detailed account of this little known chapter of world history *Philippine Sanctuary* Bonnie M. Harris, 2020-01-21 During World War II the United States government and many Western democracies limited or closed themselves off entirely to Jewish refugees By contrast a Pacific island nation decided to keep its doors open Between 1938 and 1941 the Philippine Commonwealth provided safe asylum to more than 1 300 German Jews In highlighting the efforts by Philippine president Manuel Quezon and High Commissioner Paul V McNutt Bonnie M Harris offers fuller implications for our understanding of the Roosevelt administration s response to the Holocaust This untold history is brought to life by focusing on the incredible journey of synagogue cantor Joseph Cysner Drawing from oral histories memoirs and personal papers Harris documents Cysner s harrowing escape from the Nazis and his heroic rescue by the American led Jewish community of the Philippines in 1939 Moving and rich in historical detail *Philippine Sanctuary* reveals new insights for an overlooked period in our recent history and emphasizes the continued importance of humanitarian efforts to aid those being persecuted *German-Speaking Jewish Refugees in Asia, 1930-1950* Joanne Miyang Cho, Eric Kurlander, Douglas McGetchin, 2025-03-31 Although most perished hundreds of thousands of Central European Jews escaped the Holocaust tens of thousands of these Jewish refugees ended up in East Asia Southeast Asia or South Asia Taking a global and transnational approach this volume examines the cultural political and socioeconomic encounters among and between Asian and European states and empires Central European Jews and Asians between 1930 and 1950 offering important case studies that address the policies toward and experiences of German speaking Jews across East Asia Southeast Asia and South Asia The strength of this volume lies not only in its efforts to include multiple theoretical perspectives which integrate German Jewish Asian and Migration Studies but also in the original empirical research on which it is based Engaging directly with the rich and growing historiography on the origins course and consequences of the Holocaust in East Southeast and South Asia this volume provides a framework in which we can better understand how global traditions of empire and colonialism matter in our efforts to understand the Holocaust while indicating that Asian states and peoples were keenly aware of the so called Jewish Question and made efforts though widely differentiated to provide shelter from the Nazi storm *German Speaking Jewish Refugees in Asia 1930 1950* will appeal

to students and scholars alike interested in the history of Jewish refugees in the twentieth century as well as all those interested in the modern history of German speaking Central Europe and Asia

**Resisting Persecution** Thomas Pegelow Kaplan, Wolf Gruner, 2020-06-05 Since antiquity European Jewish diaspora communities have used formal appeals to secular and religious authorities to secure favors or protection Such petitioning took on particular significance in modern dictatorships often as the only tool left for voicing political opposition During the Holocaust tens of thousands of European Jews turned to individual and collective petitions in the face of state sponsored violence This volume offers the first extensive analysis of petitions authored by Jews in nations ruled by the Nazis and their allies It demonstrates their underappreciated value as a historical source and reveals the many attempts of European Jews to resist intensifying persecution and actively struggle for survival
