Escaping The Curse Of Abuse Breaking The Curse Volume 14:

Africa Bible Commentary, Second Edition Zondervan, 2025-10-28 The first edition of Africa Bible Commentary was a ground breaking publishing event the first one volume Bible commentary produced in Africa by African theologians to meet the needs of African pastors students and lay leaders Interpreting and applying the Bible in the light of African cultures and realities today Now this revised and updated second edition almost twenty years after the release of the first continues to bring powerful and relevant insights into the biblical text Bringing together over 100 gifted scholars from across the continent and interacting with recent scholarship and issues that face African Christians today this new edition raises the benchmark set by its predecessor all those years ago Ideal for students of the Bible and preachers both in Africa and around the world this updated edition has over 40% new and extensively revised commentaries across the Old and New Testament Deepening the contextual relevance of the commentary this second edition boasts seventy five new articles resulting in 122 articles that provide insight into the most pertinent issues facing the church in Africa today Key features Produced by African biblical scholars in Africa for Africa and for the world Section by section interpretive commentary and application More than 70 special articles dealing with topics of key importance for ministry in Africa today but that have global implications 70 African contributors from both English and French speaking countries Transcends the African context with insights into the biblical text and the Christian faith for readers worldwide

The Invention of Monotheist Ethics Hillel I. Millgram, 2009-12-04 The Invention of Monotheist Ethics Volume I presents a comprehensive analysis of the Biblical Book of Samuel Usually taken to be a socio political history of ancient Israel during a turbulent century of change The Invention of Monotheist Ethics contends that beneath this surface level the true focus of Samuel is a profound appraisal of power its seductive appeal and its drastic limitations Thus Samuel emerges as a radical critique of our power based world and the way we its inhabitants order our lives Taken together with the contention that the Book of Samuel was written by a woman the Biblical book emerges as a woman s critique of a man s world This assessment concludes by proposing an alternative to the world we know a world based on care and concern Relying on recent sociological studies this work explores the ramifications of an ethic based on care rather than justice
