

"Elijah Wald overturns the myths and puts Johnson's music
into a broader, often surprising context. . . . Thanks to his
examination and research, a new picture of Johnson emerges."
—Wall Street Journal

Escaping The Delta Robert Johnson And The Invention Of The Blues

Greil Marcus

Escaping The Delta Robert Johnson And The Invention Of The Blues:

Escaping the Delta Elijah Wald, 2012-04-24 The life of blues legend Robert Johnson becomes the centerpiece for this innovative look at what many consider to be America's deepest and most influential music genre Pivotal are the questions surrounding why Johnson was ignored by the core black audience of his time yet now celebrated as the greatest figure in blues history Trying to separate myth from reality biographer Elijah Wald studies the blues from the inside not only examining recordings but also the recollections of the musicians themselves the African American press as well as examining original research What emerges is a new appreciation for the blues and the movement of its artists from the shadows of the 1930s Mississippi Delta to the mainstream venues frequented by today's loyal blues fans *Escaping the Delta* Elijah Wald, 2004

Escaping the Delta Elijah Wald, 2005 Robert Johnson's story presents a fascinating paradox Why did this genius of the Delta blues excite so little interest when his records were first released in the 1930s And how did this brilliant but obscure musician come to be hailed long after his death as the most important artist in early blues and a founding father of rock n roll Elijah Wald provides the first thorough examination of Johnson's work and makes it the centerpiece for a fresh look at the entire history of the blues He traces the music's rural folk roots but focuses on its evolution as a hot hip African American pop style placing the great blues stars in their proper place as innovative popular artists during one of the most exciting periods in American music He then goes on to explore how the image of the blues was reshaped by a world of generally white fans with very different standards and dreams The result is a view of the blues from the inside based not only on recordings but also on the recollections of the musicians themselves the African American press and original research Wald presents previously unpublished studies of what people on Delta plantations were actually listening to during the blues era showing the larger world in which Johnson's music was conceived What emerges is a new respect and appreciation for the creators of what many consider to be America's deepest and most influential music Wald also discusses how later fans formed a new view of the blues as haunting Delta folklore While trying to separate fantasy from reality he accepts that neither the simple history nor the romantic legend is the whole story Each has its own fascinating history and it is these twin histories that inform this book Escaping the Delta Elijah Wald, 2001-01-01 What the Beatles are to rock and roll Robert Johnson is to the blues this title offers both a portrait of the man and his times as well as a fresh critique of the music he made

Love in Vain J. M. Dupont, 2016-10-04 From Crossroads Blues to Sweet Home Chicago Hellhound on My Trail to Come On In My Kitchen Robert Johnson wrote some of the most enduring and formative songs of the original blues era songs that would go on to help shape the birth of rock n roll in the 1960s Beloved of Clapton Dylan and the Stones Robert Johnson remains one of the most iconic and mythologised figures in popular music and the first of many to die at the age of 27 Born in the in the South in Mississippi Johnson made his way to the urban North as a travelling musician but it was only when he returned to the South that he recorded the twenty nine songs in two sessions which would create his legacy Exploring the

stories and legends that surround his life and death his childhood his womanising his pact with the devil at the crossroads Mezzo and DuPont have produced a fittingly creative and beautiful depiction of this most extraordinary life **Mystery Train, 50th Anniversary Edition** Greil Marcus, 2025-09-16 A 50th anniversary edition of the music classic with fully updated discographies and new introductions from Greil Marcus and Dwight Garner In this special 50th anniversary edition of the beloved Plume backlist staple first released in 1975 *Mystery Train* s complex analysis of the relationship between rock n roll music and America is given new life with updated discographies and new introductions by Greil Marcus and Dwight Garner Rather than providing a general overview of influential bands and artists Marcus s definitive book focuses on just six virtually unknown early rock n roller Harmonica Frank the country blues singer Robert Johnson and some of the better known musicians who followed The Band Sly Stone Randy Newman and Elvis Presley This is the original book to take these rock legends and place them in the American culture of their time And now in 2025 *Mystery Train* continues its groundbreaking work for a new generation of readers and music lovers ***Mystery Train*** Greil Marcus, 2015-04-28 The perfect gift for music fans and anyone who loves artists like Elvis Presley Randy Newman Sly Stone Robert Johnson and Harmonica Frank In 1975 Greil Marcus s *Mystery Train* changed the way readers thought about rock n roll and continues to be sought out today by music fans and anyone interested in pop culture Looking at recordings by six key artists Robert Johnson Harmonica Frank Randy Newman the Band Sly Stone and Elvis Presley Marcus offers a complex and unprecedented analysis of the relationship between rock n roll and American culture In this latest edition Marcus provides an extensively updated and rewritten Note and Discographies section exploring the recordings evolution and continuing impact *The Original Guitar Hero and the Power of Music* Dean Alger, 2014-04-15 Lonnie Johnson 1894 1970 was a virtuoso guitarist who influenced generations of musicians from Django Reinhardt to Eric Clapton to Bill Wyman and especially B B King Born in New Orleans he began playing violin and guitar in his father s band at an early age When most of his family was wiped out by the 1918 flu epidemic he and his surviving brother moved to St Louis where he won a blues contest that included a recording contract His career was launched Johnson can be heard on many Duke Ellington and Louis Armstrong records including the latter s famous Savoy Blues with the Hot Five He is perhaps best known for his 12 string guitar solos and his ground breaking recordings with the white guitarist Eddie Lang in the late 1920s After World War II he began playing rhythm and blues and continued to record and tour until his death This is the first full length work on Johnson Dean Alger answers many biographical mysteries including how many members of Johnson s large family were left after the epidemic It also places Johnson and his musical contemporaries in the context of American race relations and argues for the importance of music in the fight for civil rights Finally Alger analyzes Johnson s major recordings in terms of technique and style Distribution of an accompanying music CD will be coordinated with the release of this book *Popular Music Culture* Roy Shuker, 2022-03-22 Now in its fifth edition this popular A Z student reference book provides a comprehensive survey of key ideas and concepts in popular music culture
