The Flaw in the Marble (Classic Reprint) UNKNOWN. AUTHOR,2015-07-08 Excerpt from The Flaw in the Marble La Jaconde we used to call her because of her wonderful likeness to Da Vinci s picture She was more like a picture than a woman with her habit of sitting absolutely motionless and that eternal smile of hers a smile which seemed to make you feel that she had known all about you for ever so long without any telling had perhaps an unlimited contempt for you and a little pity too The speaker was Martelys the painter and the person he addressed Wayne of the American Legation but lately arrived in Paris About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Classical Weekly** ,1912 **The Complete Works of Lord Byron, Reprinted from the Last London Edition ... To which is Prefixed a Life by Thomas Moore [abridged] ... With a Portrait** George Gordon Byron Baron Byron,1852 The Classical World ,1910 **Roman Error** Basil Dufallo,2017-12-08 In the eyes of posterity ancient Rome is deeply flawed The list of censures is long and varied from political corruption and the practice of slavery to religious intolerance and sexual immorality yet for centuries the Romans errors have not only provoked opprobrium but also inspired wayward and novel forms of thought and representation themselves errant in the broad sense of the Latin verb This volume is the first to examine this phenomenon in depth treating examples from history philosophy literature psychoanalysis and art history from antiquity to the present to examine how the Romans faults have become the basis for creative experimentation for rejections of prevailing ideology even for comedy and delight In demonstrating that the reception of Rome s missteps and mistakes has been far more complex than simply denouncing them as an exemplum malum to be shunned and avoided it argues compellingly that these alternative receptions are historically important and enduringly relevant in their own right Roman error comes to signify both ancient misstep and something that we may commit when engaging with Roman antiquity whereby reception may even be conceived as error of a kind while the volume ably addresses popular fascination with a wide range of Roman vices including violence imperial domination and decadence it also asks us to consider what makes certain receptions matter how they matter and why **Classical Weekly** ,1912 **The Poetical Works of the Reverend Dr. Edward Young, Vol. 1 Of 4** Edward Young,2018-01-22 Excerpt from The Poetical Works of the Reverend Dr Edward Young Vol 1 of 4 Containing His Complaint or Night Thoughts on Life Death and Immortality Soon after this he wrote the poem entitled The Force of Religion or Vanquish d Love which was likewise received with very attering marks of 118 tinction To the noble family for whose amusement it was originally intended this poem proved a most

acceptable present and indeed such was the success of both these juvenile performances at a period when the noblest effusions of genius were daily issuing from the press when in fact the literature of England seemed to have reached the zenith of its glory that several of the first characters in the kingdom not only loaded him with applause but actually courted his confidence and friendship About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
