Fair Remember Welcome Redemption:

A Fair of the Heart Donna Marie Rogers, 2011-06-29 A hometown series full of sexy romance humor and heart Single mother and work at home hair stylist Lauren Frazier can barely keep the roof over her head from falling down around her When handyman Caleb Hunter shows up at her door for a haircut the military veteran is the answer to her prayers and the attraction is instantaneous Too bad her troubled ten year old son isn't quite as thrilled to have Caleb hanging around Old wounds have kept Caleb from returning to Redemption permanently When he receives word of his mother's unexpected death guilt and regret bring him home again but will the love of a good woman keep him there Beautiful witty and strong Lauren excites him like no woman ever has but she's a package deal and he's not sure he's prepared to take on a ready made family Excerpt First Kiss Lauren moaned leaning into him dissolving into his heat pulse roaring in her ears She turned in his arms bringing her leg around so she could straddle his lap and snuggle even closer plastering herself against his broad hard chest Caleb answered her silent plea with a growl of his own crushing her in his arms his hands caressing a fiery trail down her back cupping her butt in his big hands Their mouths meshed with escalating hunger their tongues moving in a dance as old as time both giving as much as they took Lauren felt sure she would drown in the heady sensations coursing through her The proof of his desire was nestled between them and it took all her self control not to move against him It had been so long since Caleb tore his lips free and rested his forehead against hers his breath coming out in ragged pants Wha Lauren could barely draw air into her lungs to speak Is something wrong she finally managed to whisper I think Emma woke up he whispered right back She sat back in alarm and shot a look toward the stairs How could she have not heard her I'll be right back she murmured unable to meet his gaze She climbed off his lap with as much dignity as possible and raced up the stairs Emma had indeed woken up but Lauren rubbed her back for a few minutes and she fell right back to sleep She stuck her head in the bathroom on her way back to check her face in the mirror make sure the words bad mother weren't etched into her forehead Caleb stood as soon as she entered the kitchen Is she all right It wasn't her hand was it No just fussing She fell right back to sleep She wrapped her arms around herself and walked past him to the sink for a glass of water Caleb came up behind her but didn't touch her Is something wrong She took a sip then another too embarrassed to turn around and face him I didn't even hear her What does that say about my maternal instinct He took her in his arms You're a wonderful mother Lauren You got wrapped up in the moment which to be honest is a pretty big compliment She gazed up at him hoping her heart wasn't in her eyes But you heard her Does that mean you weren't as that it didn't affect you the same way He silenced her with a quick kiss Shh All it means is I'm a military man who's attuned to the sounds around him The kiss knocked my socks off lady Ditched Again Stacey Joy Netzel, 2011-07-24 Summer Clark Yes I'm excited for my ten year class reunion I flew all the way from Florida to Wisconsin so I could rub my success in Josh Nelson's face I know it sounds vindictive but the jerk ditched me at the Snowball dance left me to find my own ride home and never apologized He's got it coming if I can get

a tow truck to come out in this freak May snowstorm and pull my rental car out of the ditch Josh Nelson No I m not looking forward to the reunion Just hearing the name Summer Clark brings back memories of a night I buried long ago and never talked about again Seeing her means skirting the truth while trying to deliver a way too late apology No with this storm I think I ll head home as soon as I help this car sunk in the ditch Clearly there are two sides to every story If Tombstones Could Talk Stacey Joy Netzel,2011-10-22 Had someone asked Melanie Sparks if she believed in ghosts she d have laughed before voicing an emphatic No Then she takes a walking tour of the cemetery in her new hometown of Lindeman s Crossing Colorado and meets one of the residents face to face The story behind Andrew Lindeman s tragic death after the Pike s Peak Gold Rush in 1859 triggers dreams in which she relives his last moments Drawn to the handsome ghost attraction builds and she resolves to clear his tarnished name A passionate kiss sets his spirit free but will Melanie lose her heart forever Excerpt She started with the trail next to the river behind her cottage The walk along the South Platte River settled her nerves until she realized it d looped through the park and led her back to the cemetery Her feet rooted to the spot outside the gate as she stared intently at that one specific shaded grave site Everything looked normal No shadow figures No shimmering air No voices in her head Most likely her subconscious had been playing with her yesterday Her imagination had been in overdrive after all the wonderful history she d learned Still hesitant Melanie entered the deserted grounds and followed the path John had led the senior group along the day before Every so often she snuck a glance toward the black granite until at the end she once again stood in front of the stone Deep breath Let it out slow Everything s fine Squatting down she reached to touch the old worn stone sunk in the earth Cold As it should be Her gaze rose to the other one looming in front of her Nervous anticipation mixed with dread raising goose bumps on her arms like yesterday Much as she didn t want to touch its smooth surface she had to make sure Her hand trembled slightly as she extended her arm Cool Relief tingled through her entire body With one finger she traced the A in Andrew then flattened her palm over the name In a single instant the granite warmed almost to the point of burning her flesh She yanked her hand back with a gasp then nearly jumped out of her skin when a male figure materialized out of thin air right before her eyes Dark glittering eyes locked on her A scream froze in her throat and she found she couldn t breathe If she stayed still would it go away Her lungs burned She needed oxygen or she d faint Rising slowly she drew in a deep breath of air then concentrated on repeating the process until her legs steadied All the while her mind registered details The man of her dreams Tall Dark wavy hair worn long enough to hang over his forehead and brush the collar of his black shirt Eyes that at first glance appeared black but now she saw were a sexy slate gray His thick eyebrows shadowed them making them seem darker A hint of a five o clock shadow lent a sinister air yet she wasn t truly afraid of him You can see me The husky accusation washed over her **Dragonfly Dreams** Stacey Joy Netzel,2011-12-06 Forced to sell precious family heirlooms to pay for her mother s cancer medications Loral Evans swallows her pride when handsome antique dealer Jake Coburn offers her one thousand dollars for a dragonfly brooch they both know
