Secrets of Customer Relationship Management James G. Barnes, 2001 When executives hear the term customer relationship management CRM they often break out in a cold sweat amid visions of six or seven figure implementations of staggeringly complex systems But have no fear you won't stumble over such looming obstacles in James G Barnes's book Rather he chooses an old fashioned approach to CRM actually building relationships with your customers Barnes provides a variety of techniques to accomplish this basic task Some of his suggestions are fresh and inspired while others will sound pretty familiar to anyone in business Either way he documents them with his own thorough research and insightful accounts from other writers Some readers will miss the nuts and bolts technical analysis that has come to define the modern concept of CRM but getAbstract recommends this book to executives marketing professionals and customer service managers who want to get back to traditional business values

Doing Prison Work Elaine M Crawley, 2013-01-11 This book provides a much needed sociological account of the social world of the English prison officer making an original contribution to our understanding of the inner life of prisons in general and the working lives of prison officers in particular As well as revealing how the job of the prison officer and of the prison itself is accomplished on a day to day basis the book explores not only what prison officers do but also how they feel about their work In focusing on how prison officers feel about their work this book makes a number of interesting revelations about the essentially domestic nature of much of the work they do about the degree of emotional labour invested in it and about the performance nature of many of the day to day interactions between officers and prisoners Finally the book follows the prison officer home after work showing how the prison can spill over into their home lives and family relationships Based on extensive ethnographic fieldwork in different types of prisons including interviews with prison officers wives and children as well as prison officers themselves this book will be essential reading for all those with an interest in how prisons and organisations more generally operate in practice
