beautiful tenth anniversary edition of her bestselling book New York Times bestselling author Ann Voskamp invites you to

embrace everyday blessings and embark on the transformative journey of chronicling God's gifts and grace. With more than 15 million copies sold, Ann shows you how to tap into a pattern of gratitude that continues to change lives. How can you find joy in the midst of deadlines, debt, drama, and even the death of loved ones? What does the Christ life really look like when your days are gritty, long, and sometimes even dark? How is God even here? It is in the dark that God is passing by our lives, shake not because God has abandoned but the exact opposite: God is passing by. God is in the tremors. Dark is the holiest ground, the glory passing by. In the blackest, God is closest at work, forging His perfect and right will. Though it is black and we can't see, and our world seems to be free-falling and we feel utterly alone, Christ is most present to us. In *One Thousand Gifts*, Ann Voskamp invites you to discover a way of seeing that opens your eyes to ordinary, amazing grace; a way of living that is fully alive; and a way of becoming present to God that brings deep and lasting joy. It's only in the expression of gratitude for the life we already have that we discover the life we've always wanted: a life we can take, give thanks for, and break for others. Come to feel and know the impossible right down in your bones: you are wildly loved by God. A new introduction and ribbon marker enhances this beautiful tenth anniversary edition. As Ann invites you into her own beautiful, heart-aching moments of amazing grace, she gently teaches you how to Biblically lament loss and turn pain into poetry. Intentionally embrace a lifestyle of radical gratitude. Slow down and catch God in the moment. Not a book merely to read, *One Thousand Gifts* is an invitation to engage with truths that will serve up the depths of God's joy and transform your life forever. Leave pride, fear, and control behind and abandon yourself to the God who overflows your cup.

Tactics, 10th Anniversary Edition Gregory Koukl, 2019-11-26 *Tactics* provides the game plan for defending your faith and artfully communicating the truths of Christianity with confidence and grace. This expanded anniversary edition of the classic book of Christian apologetics includes updates and expansions of existing tactics as well as the addition of an all-new tactic and a chapter on Mini Tactics filled with simple maneuvers to aid in discussions. In a culture increasingly indifferent or even hostile to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. In *Tactics 10th Anniversary Edition*, Gregory Koukl demonstrates how to artfully regain control of conversations, keeping them moving forward in constructive ways through thoughtful diplomacy. You'll learn how to meet challenges, questions, and provocations with poise and conviction. Effortlessly start your own evangelical conversations. Present the truth clearly, cleverly, and persuasively. Graciously and effectively expose faulty thinking and logical fallacies. Most important, you'll learn how to get people thinking seriously about Jesus. Drawing on extensive experience defending Christianity in the public square, Koukl will not only walk you through effective arguments to defend why you believe what you believe, but he'll teach you methods for engaging in meaningful dialogue and debate. Step by step, you'll learn the tactics of good persuasion and defense, how to identify the tactics of your opponent, and how to build your case patiently and practically.
