The Book of the Dead E. R. Vernor, 2016-11-23 A study of death and mourning around the globe and through the ages Examine death its significance in religious and ethnic views cultural myths and its use in art and literature throughout the ages Find out how different religions and ethnic groups understand death the mourning that accompanies it and the implications that people have given it Victorian mourning old hearses and lots of other lavish photographs illustrate this thoughtful and poignant work Allure of the Vampire Corvis Nocturnum, 2009 The mere mention of vampires used to be enough to make people think of a nocturnal predator But over the centuries the vampire has changed from monstrous villain to sexual object for both men and women alike Allure of the Vampire examines our intimate attraction to these beings in a detailed manner Now join occult author Corvis Nocturnum as he reveals the fascinating evolution of this icon as it has lured and enticed us in folklore film and books from the days of ancient civilization to the living breathing inhabitants of our modern subculture the vampire community Vampires Today Joseph Laycock, 2009-05-14 This book explores the modern world of vampirism Based on interviews it looks at the many expressions of vampirism from lifestyle vampires who adopt the culture and admire the gothic image to real vampires who believe they are a separate race and need to consume blood and psychic energy in order to survive Dark Visions the Art of Corvis Nocturnum Corvis Nocturnum, Joesph Vargo, 2012-08-04 For years E R Vernor better known by his pen name Corvis Nocturnum has been illustrating book covers catalogs bands CD covers and has had work in Julie Strain's Nightmare on Pinup Street Now collected here is a glimpse of the art itself but various never before seen images of the works in progress and the artists background and thoughts behind the works themselves From the introduction by Joseph Vargo The imagery that is depicted in the art of Corvis Nocturnum is at times surreal stark and unsettling yet there is an underlying beauty to be found within each painting As a writer Corvis boldly strives to shed light on the dark subcultures of the world and his libertine attitude carries over into his artwork which

unflinchingly examines similar taboo topics Unrestricted by conventional boundaries his Satanic and erotic themes truly embrace the darkness within his soul His artwork mixes traditional gothic elements such as ravens and vampires with fallen angels and S M vixens to create raw impressions of a dark and unadulterated realm A Mirror Darkly Corvis Nocturnum, 2011-03-01 Revised and with additional material since its original publication this collection by ER Vernor best known to fans as Corvis Nocturnum author of the well received Embracing the Darkness Understanding Dark Subcultures brings you his personal collection of essays penned from years of observing his fellow man Few authors since Nietzsche or Anton LaVey have so vehemently rallied against societal religious and governmental hypocrisies laughable shortcomings and failings Sharply critical of apathetic bottom feeders and thoughtfully introspective Corvis forces us to look at the creature that stares back at us from the abyss Lilith the Mother of All Dark Creatures E. Vernor, 2015-04-17 The figure Lilith is forever entrenched in our minds as the mother of all dark creatures From ancient artifacts to modern day film and comic books we continue to see her as a vengeful feminine anti hero The she demon from the Babylonian empire is far from an antiquated figure of myth and lore of days gone by If anything there has been a renewed interest in Lilith which has led modern artists and writers to embrace the archetype with still more fervor than in any time in the past Like the phoenix which rises from the ashes of its former self Lilith is reborn each time her character is reinterpreted and retold in as much as are vampires clarifying the reasons her persona was so quickly adapted to be the mother of the Succubi and of course vampires in so many stories This reshaping of the screeching demoness serves to reflect each generation s views of the feminine role in society or in our day and age how we redefine ourselves with one another As we grow and change with Lilith survives the millennia because she is truly the singular best archetype for the changing role of women Learn Lilith s darkest secrets as the author unveils her origins and brings you forward in time to discover this misunderstood figures evolution
