Tim Clark,2021-06-23 My Talent From The King book is a gift from God to me As I began my journey after finding Jesus He began to show me and teach me wonderful things about His holy Word He said in John 14 15 that He would give me a Comforter that would teach and guide me into all truth This book has summaries of different topics throughout the Bible There are even a few testimonies written in this book This book was written to be a disciple Matthew 28 19 20 to go where I couldn t go into people s homes and lives as they read and found out truth versus the error of false teachers and I thank God for giving me this gift to share with my brothers and sisters so that we can come to the truth of Jesus Christ said And ye shall know the truth and the truth shall make you free In John 10 1 5 Jesus speaks saying to us Verily verily I say unto you He that entereth not by the door into the sheepfold but climbeth up some other way the same is a thief and a robber But he that entereth in by the door is the shepherd of the sheep To him the porter openeth and the sheep hear his voice and he calleth his own sheep by name and leadeth them out And when he putteth forth his own sheep he goeth before them and the sheep follow him for they know his voice And a stranger will they not follow but will flee from him for they know not the voice of strangers In John 10 14 16 Jesus says I am the good shepherd and know my sheep and am known of mine As the Father knoweth me even so know I the Father and I lay down my life for the sheep And other sheep I have which are not of this fold them also I must bring and they shall hear my voice my truth which I have spoken and there shall be one fold and one shepherd *Revelation in the Song of Songs* Vola Masoandro Andrianarijaona,2025-01-29 Song of Songs or Shir Hashirim is a very special book of the Bible for many reasons For example it is the most metaphorical opening the door to many different interpretations that do not oppose each other It is also one of the books that does not contain any of God s names at least in the most used versions of the Bible It holds quite a few Guinness Bible Records in terms of word occurrences and word first appearance In light of this Song of Songs should be fascinating but most studies of it have followed a narrow and limited path The book has often been seen as primarily a story about a woman and a man deeply in love And it certainly contains that aspect in striking detail Some parents would not dare read it aloud in front of their children Sermons based on verses from Song of Songs are almost always linked to marital relationships or something similar But is that all this book is about Certainly not In fact the Son of God used a connotation found only in Song of Songs in the last prophecy he gave on his way to Calvary The study of Song of Songs alongside the book of Daniel and Revelation hints of prophetic aspects For example Song of Songs describes in detail the seven churches of Revelation It also alludes to the two statues of the book of Daniel And

the four beasts Yes they have their allegories there as well God s laws Of course Even the sealing of God s people was not left out Country living There is no way to miss it The Great Controversy and how it ends this is perhaps the greatest message of the book
