## **Elohim Phenomenon Elohim Phenomenon:**

**Elohim Phenomenon** I. D. McClain, 2013-03-08 This book is a mathematical and scientific portrayal of the creation of the physical universe We examine all the details of forming a neutron the atoms the earth and the galaxies as related to the Torah Unlike most creational science books that biologically attack evolution or focus in on the flood or the big bang theory we build the entire universe from scratch namely nothing After building the microcosm we build the macrocosm and the earth We only touch biology from the standpoint of transition from before and after the fall After structuring the initial universe and earth we examine all the cataclysmic activity that formulates the world as we know it today Truly the reverence for Elohim is the beginning of knowledge and the Torah a light to follow for understanding The reverence for Elohim is like deciding to look at the map for directions The Torah is like the images on the map The Ruach HaKodesh Holy Spirit gives us the ability to understand the images that we see on the map Have you ever wondered how plants survive after Elohim created them before there was a sun to divide day from night Or did you just decide that the whole idea is impossible

**Elohim within the Psalms** Terrance Randall Wardlaw, Jr., 2015-02-26 The issue of the so called Elohist Psalter has intrigued biblical scholars since the rise of the historical critical enterprise Scholars have attempted to discover why the name Elohim is used almost exclusively within Pss 42 83 and in particular they have attempted to identify the historical circumstances which explain this phenomenon Traditionally an original Yhwh was understood to have been replaced by Elohim Frank Lothar Hossfeld and the late Erich Zenger propose that the use of the title Elohim is theologically motivated and they account for this phenomenon in their redaction historical work Wardlaw here builds upon their work 1 by integrating insights from Dell Hymes William Miles Foley and Susan Niditch with regard to oral traditional cultures and 2 by following the text linguistic approach of Eep Talstra and Christof Hardmeier and listening to canonical texture as a faithful witness to Israel s religious traditions Wardlaw proposes that the name Elohim within the Psalms is a theologically laden term and that its usage is related to pentateuchal traditions *Old Testament Introduction* Mark Mangano, 2005 The Mammoth Book of Unexplained Phenomena Roy Bainton, 2013-01-17 New mysteries as well as variations on recurring ones continue to surface on a weekly basis around the globe from showers of frogs over Hungary to birds falling to earth in Arkansas This compendious round up of unexplained phenomena examines everything from the experiments being done with the Large Hadron Collider to classic maritime mysteries involving inexplicably missing crews via UFOs mediums cryptozoology panics paranoia and a universe proving stranger in fact than we d imagined *The Philosophy of the Bible* David Neumark, 1918 The Conflict of Truth Frederick Hugh Capron, 1902 **Theology of the Old Testament** Gustav Friedrich Oehler, 1883 Gustav Friedrich Oehler was an Old Testament scholar and professor at Tübingen in Germany At this time he was among the foremost proponents of theological conservatism with regard to the Old Testament rejecting the rationalism of Schleiermacher and the liberal school arising from his work For Oehler the Old Testament is an account of real

history and divine revelation rather than a product of mere human development This two volume set published after Oehler's death by his son in 1874 contains the contents of Oehler's three decades of lectures on his area of expertise This early work of Biblical Theology explains the progressive revelation of divine truths from the first chapters of Genesis through the end of the Old Testament It contains both a history of God's people and an examination of the theological convictions of the Old Testament authors as moved by the Spirit *The Pentateuch and Book of Joshua Critically Examined* John William
