Embracing Death Riding Lifes Transitions Into Power And Freedom:

Embracing Death Angela Browne Miller, 1996 In this bold departure from our usual view of death Angela Browne Miller proposes that the fearless engagement of change and loss can be used as preparation for death and as a means to be more fully alive Using death as a metaphor she explains how life's transitions including changes in relationships habits and belief systems can be opportunities to reclaim personal autonomy and freedom

This Divine Classroom Marcia Beachy, 2004-12-20 In times of great change and chaos we flail against the suffering and difficulties in our lives In This Divine Classroom Earth School and the Psychology of the Soul psychotherapist Marcia Beachy develops the broader view that planet Earth is a classroom for human evolution Through past life regression PLR research with her clients Marcia postulates that this outpost on the edge of the Milky Way Galaxy is providing unprecedented soul maturation opportunities as momentous choices are being made Incorporating in depth PLR work and material from the interlife afterlife perspective Marcia skillfully unravels some of the mysteries of the souls choices and what it hopes to learn from the challenges and joys of life Fascinating stories unfold over eons of time depicting the souls long journey of evolution The reader begins to gather a sense of the souls psychology often shockingly different than that of our personality self In addition Marcia gently challenges us to a reinterpretation of our reality and to courageously see the new Earth School curriculum before us
