Maximizing Your Destiny , Become the Solution You Are Created to Be Obembe Olutola Michael,2012-01-04

This book is going to push out the world changer in you It has been written to bring out in you that which is to be but have not yet been that which you need to be that you have not become and to draw out to you what you can be in this life and to your generation Men are said to be born equal but we all know men are not equal In the calendar of God things happen for a reason so you are born into this world for a reason not just a mere reason but for a unique reason because you are not a coincidence Get to understand who you are because you are the best option the world has to solve the reason why you are here Its just you that is needed to make things right do not fall off your destiny by loosing out on purpose for the purpose of a thing is best known to the manufacturer so find out from God today and live your life by his design and not by default A little baby is like a blank disk drive when born it knows and contains nothing until things are said to him her and events happen around him her i e basically until the five senses start catching things around Be like that young child and start catching stuffs that will enhance your destiny ride The death of Jesus was to bring mankind back to the former glory of leadership dominion solution and divine relationship If you are born again you are a solution either in the making or one already on duty because your world needs you Wake Up Your destiny assignments are too many for you to live a life of jeopardy a life of ignorance or a life of self non discovery Wake Up The light of God in you is meant for a purpose His decision to push you forth is not 12 Michael Obembe without a reason the blessings gifts talents and stuffs of God in you are not for personal enrichments they are for specific areas of the world so find those areas and fulfill destiny Myles Munroe once said that your existence is a proof that something is finished that you are born to express or implement In other words God has finished an invention and you are the project manager here on earth Nobody is born without a mission neither is anyone born a mistake nor an experiment but its your destiny from heaven that brought you here that destiny of being a solution to your world You are born with a solution destiny It is in you The destiny of a thing is in the thing so the solution ability you possess is right inside you all you need to do is to push it out Do not live life as a spectator stand and be that centre stage actor you are meant to be Do not live life as a photocopy live the life as the original God created you to be There is something unique about you its the mission and vision set ahead of you and it is your being different that makes you a world reference Remember only you are with a unique vision mission talent and gift that the world does not have Do not run away from your destiny choose to achieve it and build your purpose for a mission There are things you need to know things you need to remember and things you need to start doing to be that solution you are born to be That is what this book teaches it teaches a life to be lived left un-lived by many Choose to be what God created you to be **Capture Your Destiny** Dr. D.
